## **Rape Of God:**

The Christian Betrayal of the United States Carl Wells,2010-10-22 The Christian Betrayal of the United States theorizes that 100% of the problems of the United States have their root in the conservative Bible believing Christian church of this country Countless books by liberal Christians or by non Christians have accused the Christian right of being a dangerous segment of our country Following the principles of the Christian right will lead to tyranny so the theory goes The Christian Betrayal of the United States takes a very different tack According to the author the Bible believing Christians have betrayed their country already by their actions in many distinct arenas of life Those who have cursed the Bible believing Christians as being too Christian have got it exactly backward They may curse Christians again when they understand that Christians were not Christian enough The author far from being a liberal Christian or a humanist is a self professed conservative Bible believing Christian He strives to show how his own people have betrayed their nation It is a dark story On the brighter side the author also tries to grope toward a solution of the problems he and his people have caused **What Are God's Goals?** Carl Wells,2014-12-17 Does God Have Goals We human beings tend to be pretty self absorbed We have goals and we hope to meet those goals whether they are wise or unwise We seldom stop to consider that perhaps God also has goals If He does they are certain to be wise and He has the power to reach those goals But what are they Does God intend that mankind help Him reach His goals Does our current model of Christianity truly reflect what the Bible teaches Is the model flawed or broken What would a biblical model of Christianity look like Does God torture most people in Hell for eternity Or have we misread Scripture on that topic These are some of the questions wrestled with in What Are Gods Goals **Jeremiah** Kathleen M. O'Connor,2011 Whether dealing with collective catastrophe or intimate trauma recovering from emotional and physical hurt is hard Kathleen O Connor shows that although Jeremiah s emotionally wrought language can aggravate readers memories of pain it also documents the ways an ancient community and the prophet personally sought to restore their collapsed social world Both prophet and book provide a traumatized community language to articulate disaster move self understanding from delusional security to identity as survivors constitute individuals as responsible moral agents portray God as equally afflicted by disaster and invite a reconstruction of reality Publisher description The Aesthetics of Violence in the Prophets Julia M. O'Brien,Chris Franke,2010-04-08 This volume explores multiple dimensions of prophetic texts and their violent rhetoric providing a rich and engaging discussion of violent images not only in prophetic texts and in ancient Near Eastern art but also in modern film and receptions of prophetic texts The volume addresses questions that are at once ancient and distressingly modern What do violent images do to us Do they encourage violent behavior and or provide an alternative to actual violence How do depictions of violence define boundaries between and within communities What readers can and should readers make of the disturbing rhetoric of violent prophets Contributors include Corrine Carvahlo Cynthia Chapman Chris Franke Bob Haak Mary Mills Julia O Brien Kathleen O Connor Carolyn Sharp Yvonne Sherwood and Daniel Smith

Christopher **Shakespeare's werke** William Shakespeare,1872     The Divine Default J. J. Dyken,2013 JJ Dyken takes commonly asserted religious claims and applies each of them to modern day examples to demonstrate the often fallacious nature of religious belief He uses a mixture of common sense and scrupulous logic to mount an attack on not only religion itself but also upon the religious pseudoscientists who try to justify their assertions with faulty science     The History and Theology of Calvinism Curt Daniel,2003     **Inspirational Crossings "Walking by Faith"** Rose M. Luis Palau,2000 Suffering Its

stubborn inevitability prompts our deepest doubts about life as well as a profound search for meaning Why do we suffer Why must we lose the ones we love Why must each of us face sickness and death If God exists where is God when these things happen International evangelist Luis Palau has seen desperate suffering in the lives of millions of people all over the world and has experienced it in his own life In *Where Is God When Bad Things Happen* Palau helps those in pain come to grips with the crushing adversities of life by directing them to the limitless resources found in God Without sidestepping the most difficult questions or slipping into the pat answers of a merely intellectual faith Palau provides encouragement and hope to those who sorely need both Although helpful to readers already committed in their faith this book is especially intended for those who are still searching and who wonder where God could be in times of trouble Instead of an academic treatise on the problem of evil *Where Is God When Bad Things Happen* is an empathetic exploration of divine action in the midst of terrible pain
