## **Rape On Trial:**

Sexual History Evidence And The Rape Trial Joanne Conaghan, Yvette Russell, 2023-10-27 The use of a rape victim's sexual history as evidence attracted intense public attention after the acquittal of footballer Ched Evans in 2017. Set within the context of a criminal justice system widely perceived to be failing rape victims, the use of sexual history evidence remains a flashpoint of contention around rape law reform. This accessible book mounts an important interrogation into the use of a victim's sexual history as evidence in rape trials. Adopting a critical multidisciplinary perspective underpinned by feminist theory, the authors explore the role and significance of sexual history evidence in criminal justice responses to rape.

**Carnal Knowledge** Sue Lees, 1996 Drawing on the testimonies of women many who have never before spoken out, this book uncovers the fraudulence of the view that women are increasingly crying rape when they simply regret what has happened the night before.

**Sexual Violence on Trial** Rachel Killean, Eithne Dowds, Anne-Marie McAlinden, 2021-02-28 Sexual Violence on Trial provides a contemporary critical examination of the investigation, prosecution and cultural contexts of sexual violence. It draws on Northern Ireland as a case study while also drawing on experiences from other jurisdictions across the United Kingdom and island of Ireland. Public and academic debates concerning the high profile Belfast Rugby Rape Trial and the subsequent Gillen review of the arrangements to deliver justice in serious sexual offence cases have been mirrored at a global level with movements such as MeToo and TimesUp. This book brings together the perspectives of practitioners and academics to discuss contemporary challenges surrounding the societal and legal framing of sexual violence. It examines key aspects of the criminal justice process including the challenges of supporting victims of responding to a range of forms of sexual violence such as rape, peer abuse, intimate partner violence and forced to penetrate cases as well as alternative perspectives and future reforms. It also considers broader debates including balancing the interests of victims and defendants, the impact of cultural myths and stereotypes, the challenges of the digital age, models of consent, legal representation for victims and anonymity and publicity surrounding trials. Written by leading authorities in the field, Sexual Violence on Trial will be of great interest to students and scholars of Criminology, Law and Sociology.

**The Rape Trial** Bidisha Ghosal, 2020-01-07 What do you do when the rapist is someone you know? What do you do when he has been found innocent in the eyes of the law? Rhea Hitaishi and Amruta's friendship has been cemented over a lifetime but now they find themselves struggling to answer these questions together. Nearly a decade has passed since Rahul Satyabhagi, heir to the mega Satyabhagi business empire, had raped Avni Rambha, bested her in court and gone on to become a men's rights activist and the who's who of Badrid Bay. Had breathed a sigh of relief that the sordid mess was over. But now a sting operation proves what many the three friends included had suspected all along: he'd been lying. Furious that he has been exposed, Rahul plans to sue the media as well as his long suffering victim. Now Rhea Hitaishi and Amruta find themselves at a crossroad: can they carry on doing nothing? DC Virendra Dixit was among those who'd believed that the Rambha rape case had been a false

allegation but now the sting tape brings him to a case that promises to be a turning point in his career Just as he thinks he is nearing a resolution he finds himself at a crossroad of his own Rhea Hitaishi and Amruta have carved out a path that has already affected DC Dixit s but do their paths cross Who is the hunter and who is the hunted Can a story of hard questions and difficult choices have an easy resolution
