Raped In The House Of God The Murder Of My Soul:

Raped in the House of God Jim Parker, 2004-04-13 *Raped in the House of God* is an invaluable resource for anyone trying to understand the lifetime effects sexual abuse by priests has on a person's life. Author Jim Parker tells his story of soul murder and his ongoing journey of recovery. His story recounts not only the immediate catastrophic impact of a 12-year-old boy being sexually abused but how his parents' request to keep the abuse a secret led to over forty years of frustration and self-destructive behavior. Parker gives the reader details of how his life has been altered including His loss of purpose, Inability to achieve in school, Distrust of men, Failed relationships with family and others, Inability to set clear boundaries, Years of isolation, Three failed marriages. *Raped in the House of God* is a must read for other survivors of clergy sexual abuse, their families, concerned Catholics seeking to better understand the crisis facing their church today, and health care professionals charged with the challenge of helping survivors.

400 Year Old Room Meredith, 2023-02-20 In the lives of every creature on earth are echoes of events that occurred a long long time ago. Events of unimaginable scale and violent beauty that connect all living things, their every action and decision, their every heartbeat to the greatest story ever told. This is a tale 13.8 billion years in the making that has seen billions of stars and billions of worlds live and die to create the only planet we know that is home to life. From the stardust that built us to the cosmic ingredients that sustain us and the starlight that powers it all, this is the story of a universe that birthed the Black child. Every cell in the Black child's body is linked to an ancient stream of energy connecting their life to the heart of a star and the imagination of God. This unbroken stream of Black history spans vast reaches of time and space and stretches back to the very first notion of humanity. The Black man's sole focus, the thing driving his very existence, is hunger. We hunt no man. We hunt for energy. But not for ourselves. We are desperate to feed the hungry minds of the Black child. We want to feed them truth in the knowledge of themselves and where they fit in the history of time's holy universe. This primal impulse stems from a deep connection we have to our purpose that extends beyond the ghettos, beyond this country to Africa. This is Black history. This is Black power. Black power is more abundant than ever. It's just hiding in plain sight of a universal consciousness of the might and power of God. This book is mere meditation offering intellectual vitamins on critical race theory, the politics of racism, and the hidden history behind the tug-of-war over the American story.
