The Complete Idiot's Guide to Anatomy, Illustrated Mark F. Seifert, Ph.D, 2008-07-01 The knee bone is connected to the leg bone Like its counterparts in calculus chemistry and physics The Complete Idiot's Guide to Anatomy Illustrated is aimed at students who need an understandable supplement to their more rigorous textbook However unlike students of other introductory courses anatomy students must achieve more than a passing grade and their retention of what they learn can be a life and death matter With that in mind this book provides focused thorough highly illustrated coverage of the body's tissues systems and regions and its common diseases and disorders More than 150 large and detailed illustrations complete with callouts and Labels Includes illustrated breakdowns of the nine body systems anatomy by region and common diseases and disorders

Flesh and Blood George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2013-03-09 Who owns your sex organs Different cultures today and in different epochs have given a variety of answers to this question It may seem self evident that every individual owns and has sovereignty over his or her own body parts such as the head legs nose stomach pancreas and other body parts The sex organs however seem to be an exception Even though they are as much an integral part of the individual as a leg or a liver the sex organs are unique in that many cultures have established laws and taboos over the use and even the mere display of the sex organs Thus certain cultures have placed constraints over the individual's ownership of his or her sex organs and actively regulate and restrict the individual's access and use of those organs In other cultures the question of ownership of the sex organs is more decisively answered In any culture where circumcision to any degree of either the male or female is practiced permitted encouraged or even merely tolerated it is clear that the individual is not considered to own his own sex organs In the United States today the medical establishment has created an is considered acceptable and desirable that anyone for environment
