*Revelations of the Rapture* Beverley-Anne Bear, 2017-06-06 On my search for finding the meaning of life I made the most amazing discovery which is what this book is all about I discovered how to remember who we truly are and how to reconnect to God Creator of all that is the source of all life Life is a journey As we travel along the road discovering life we realize that there is no road map for life just a moment by moment discovery of selfdiscovering who we are and more excitingly who we want to be or become This book has taken me over ten years to write since I had a powerful prophetic dream in August 2005 I have been on a personal journey of discovery and of immense growth since then resulting in all the beliefs that I had since a young girl to be turned upside down If anybody had told me what I know today ten years ago I would have argued with them and told them that they were being misled and would have considered it heresy An age old parable talks about an old beggar who was sitting on a box at the side of the road When a stranger came walking past the beggar asked the stranger for some spare cash The stranger replied that he had no money to give him but then asked the beggar what was inside the box that he was sitting on The beggar replied that it was an old box that he had been sitting on for as long as he could remember and that he had never looked inside as it was surely empty The stranger encouraged him to open the box and to look inside which the beggar duly did only to find that the box was filled with gold All these years this beggar has been begging for money and eating scraps of food or any morsel that he could find while if he had only looked inside he would have realized that he was extremely wealthy The first few chapters of this book are written with an extremely religious tone due to the fact that I was writing from my belief at that time However this is not a religious book You will notice how my beliefs change as the book unfolds This book has been written from my belief which I believe God revealed to me through many hours of studying the Bible praying and listening to the still small voice within I had many hours of quiet time with God I am sharing information with you that I have gathered on my personal journey but what you do with this information is up to you as you always have a choice

**The Rapture Versus the Bible** United Church of God, 2014-07-08 Christians all over the world are looking for a sudden rescue a Rapture to save them from the coming time of trouble But does this Rapture teaching come from the Bible Explore the roots of this doctrine and discover the wonderful hope of resurrection God has planned for all mankind Inside this booklet Countering the rapture error A definition of common terms Graphic We ll meet Christ in the air but when Graphic Timeline of End Time Events Graphic Chapter Outline of the Book of Revelation The seventh trumpet the return of Jesus Christ Popular Rapture teachings obscure Biblical truth The hope of the resurrection When? F. Kenton Beshore, R. William Keller, 2011 This book shows that the Bible clearly teaches the Rapture is not an imminent event that cannot take place at any moment Many prophetic warning signs of the Rapture have already been fulfilled and many more must be fulfilled before the blessed event from publisher description *The Church in End-Time Prophecy* Curtis

Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the

scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through

Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible's Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God's healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God's beloved community     Desecration, Danger, Deliverance Martin Weber, 2002 Exposes the myth of the rapture and shows what the Bible actually teaches about Armageddon the tribulation the antichrist and the Second Coming of Jesus     Post Tribulation Rapture Roy W. Anderberg, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done

whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man s history Will there be signs of Christ s coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy

**The Rapture: Don't Be Deceived** Billy Crone, 2016-07 If there s one thing you don t want to be deceived about in life it s the Biblical truth concerning the Rapture The Bible says that for those who are left behind after this next great event on God s end time prophetic calendar they will be thrust into the 7 year Tribulation which is not a party Rather it s an outpouring of God s wrath upon this wicked and rebellious planet which will soon turn into mankind s greatest nightmare Unfortunately there seems to be multitude of opinions out there concerning the purpose and timing of the Rapture which is starting to cause a lot of unnecessary confusion and division Therefore The Rapture Don t Be Deceived takes a detective s approach towards the Biblical teaching of the Rapture and examines the many Scriptural facts surrounding it

**Before God's Wrath** H. L. Nigro, 2004-10 Biblical presentation of the timing of the rapture of the Church and provides many biblical and logical arguments for the prewrath rapture position

*Can We Still Believe in the Rapture?* Mark Hitchcock, Ed Hindson, 2018-01-02 Christian Fiction or Biblical Fact Today the hope that all believers on earth will be caught up to heaven is being challenged in new waves of criticism Is the rapture really taught in the Bible Can we really expect Jesus to gather up His followers before the Antichrist is revealed In this well reasoned and thorough defense prophecy authors Mark Hitchcock and Ed Hindson examine the concept context and consequences of the important and long expected event known as the rapture Discover the answers to such questions as What is the rapture and is there any historical precedent for it Why do some believers object to the idea of a rapture Does the timing of the rapture really make a difference As you explore what Scripture says about the end times you ll get a grander glimpse of your glorious future and the deepest hope of every follower of Jesus

**The Rapture of the Church** Jimmy Swaggart, 2019 When God speaks His word always comes to pass and according to the Bible the next great event to take place is the rapture also known as the resurrection something the modern church knows little to nothing about When will this great catching away take place When the trump of God sounds who exactly will be transformed in the twinkling of an eye to meet the Lord Jesus Christ in the air And once the rapture takes place what happens next These and many other questions are answered in this riveting book by Evangelist Jimmy Swaggart who walks his readers through the Scriptures to explain this glorious event that will bring

inexplicable joy to some while striking fear in the hearts of those left behind      **Jesus' Rapture Prophecy the Last Day** Daniel Farey, 2020-06-30 Jesus prophesied that he will raise all that God gave him on the last day but all of Christian religions and theologians have ignored him in favor of some form of a Tribulation Rapture contrived by conjecture or supposition extrapolations primarily from Paul's prophecies The second most important event in all of human history to come Jesus resurrection being the fundamental exemplary and all of organized Christianity has failed to discern the correct resurrection of humanity What else are they teaching you in your church that is false interpretation of scripture This book will take you on a journey through the Holy Bible that will detail Jesus Rapture of the last day proving his prophecy is consistent throughout scripture This book contains the only true published explication of the Rapture secondarily to the Holy Bible Jesus tells of the day not the date of the Rapture The last day Rapture and Jesus second coming are not contemporaneous You'll find out when both are expected inside this book      **Evidence for the Rapture** John Hart, 2015-07-24 Is the rapture still going to happen And if so when With contributing scholars from schools like Moody Bible Institute Dallas Theological Seminary and The Master's Theological Seminary Evidence for the Rapture is a convincing and thoroughly biblical case for the rapture This collection of exegetical essays looks at the rapture from a number of biblical angles the words of Jesus in the Gospels Paul's teachings in the epistles and even prophetic and apocalyptic literature In sound exegetical technique the authors corroborate Scripture's main teachings on the end times to provide a trustworthy and concise treatment of a multi-faceted issue For the last several hundred years the doctrine of a pretribulation rapture has been a fixture in many churches and institutions Evidence for the Rapture is a fresh polish upon this long-standing doctrine      *The Church in the Coming Great Tribulation* Steve Urick, 2013-06-21 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as revealed by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being taught by modern day prophecy teachers this timely work sheds light on the subject and will help clear up any confusion you might have      The Rapture Before? Or After? Conclusively Quency Gardner, 2003-05      **Rapture and Revelation** R. G. Brock, 2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as Rapture and Revelation While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with

Jesus After being inspired by one of Hagin s lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1 2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble     **Three Views on the Rapture** Gleason Leonard Archer,1996 This book explores three views on the Rapture Pre Mid and Post Tribulation
