**The Breach** Clayton Kendall - Pastor, 2019-08-23 The Breach By Clayton Kendall Pastor The Breach discusses the Abrahamic covenant in great detail This includes topics such as the Judaic Scepter Joseph's Birthright Mosaic Law Israel and the Jews and the Davidic covenant The latter of which is the most misunderstood covenant in the Bible Stating in particular that King David was promised a physical king line that would retain an earthly kingdom that would reign supreme until Jesus Christ the King of Kings returns to rule the throne This book documents the fulfillment of this promise and identifies who and where it is today The identity of Israel

and the Jews is a subtheme for without this knowledge the impetus of the book would be greatly diminished Finally all of this material relates to and answers many questions about the false rapture theory and the truth about the tribulation of antichrist
