

Osbert Sitwell

RAT WEEK

An Essay on the Abdication

Foreword by John Pearson

Rat Week An Essay On The Abdication

M Woodhall

Rat Week An Essay On The Abdication:

Rat Week Osbert Sitwell, 1986 Sir Osbert Sitwell knew that his essay on the Abdication of King Edward VIII could not be published until long after he was dead and clearly relished writing for an audience that he would never meet At the time it was written illness had compelled him to withdraw almost completely from public life and as a result he had discarded what he called a blank bland mask to hide his real feelings He spoke his mind and the essay reveals the overmastering anger which he felt on the occasion Part of his anger stemmed from his devoted friendship with the Duchess of York and her husband the future King George VI and his affectionate respect for Queen Mary part from his sense of betrayal of all that Edward VIII might have stood for before and after his accession The immediate result was the cruelly apposite poem Rat Week which is published in full for the first time as part of this essay John Pearson the author of *Facades* a composite biography of the Sitwells writes in his introduction that the whole essay has something of the quality of impromptu private conversation Partial and prejudiced as he was Osbert Sitwell remains an important and unique witness of the whole bizarre Royal drama Front flap of book jacket

Her Lotus Year Paul French, 2024-11-12 New York Times bestselling author Paul French examines a controversial and revealing period in the early life of the legendary Wallis Duchess of Windsor her one year in China Before she was the Duchess of Windsor Bessie Wallis Warfield was Mrs Wallis Spencer wife of Earl Win Spencer a US Navy aviator From humble beginnings in Baltimore she rose to marry a man who gave up his throne for her But what made Wallis Spencer Navy Wife the woman who could become the Duchess of Windsor The answers lie in her one year sojourn in China In her memoirs Wallis described her time in China as her Lotus Year referring to Homer's Lotus Eaters a group living in a state of dreamy forgetfulness never to return home Though faced with challenges Wallis came to appreciate traditional Chinese aesthetics China molded her in terms of her style and provided her with friendships that lasted a lifetime But that Lotus Year would also later be used to damn her in the eyes of the British Establishment The British government's supposed China Dossier of Wallis's rumored amorous and immoral activities in the Far East was a damning concoction portraying her as sordid debauched influenced by foreign agents and unfit to marry a king Instead French an award winning China historian reveals Wallis Warfield Spencer as a woman of tremendous courage who may have acted as a courier for the US government undertaking dangerous undercover diplomatic missions in a China torn by civil war Her Lotus Year is an untold story in the colorful life of a woman too often maligned by history

Crown, Cloak, and Dagger Richard J. Aldrich, Rory Cormac, 2023 Richard J Aldrich and Rory Cormac reveal the remarkable relationship between the British Royal Family and the intelligence community from the reign of Queen Victoria through two world wars and the Cold War to the present day Based on painstaking archival research the authors have uncovered a wealth of detail that changes our understanding of the role of the monarch in modern British politics intelligence and international relations Far from being a dry tome on page after page *Crown Cloak and Dagger* offers surprising revelations and stories of intrigue The book begins

with the reign of Queen Victoria when persistent attempts to assassinate her demanded the creation of security services Successive queens and kings have all played an active role in steering British intelligence sometimes running parallel networks against the wishes of prime ministers Even today Queen Elizabeth II receives copy No 1 of every intelligence report and likely knows more state secrets than any person alive This book demonstrates that even in the era of constitutional monarchy queens and kings continue to be far more than figureheads of state Crown Cloak and Dagger is a fascinating and fast paced history that will inform as well as entertain anyone with an interest in history espionage and the Royal Family

Queen Bees Siân Evans, 2016-09-08 ENORMOUS FUN GUARDIAN SO ENTERTAINING THE TIMES GOSSIPY LIGHT AND FUN TLS Queen Bees looks at the lives of six remarkable women who made careers out of being society hostesses including Lady Astor who went on to become the first female MP and Mrs Greville who cultivated relationships with Edward VII as well as Lady Londonderry Lady Cunard Laura Corrigan and Lady Colefax Written with wit verve and heart Queen Bees is the story of a form of societal revolution and the extraordinary women who helped it happen In the aftermath of the First World War the previously strict hierarchies of the British class system were weakened For a number of ambitious spirited women this was the chance they needed to slip through the cracks and take their place at the top of society as the great hostesses of the time In an age when the place of women was uncertain becoming a hostess was not a chore but a career choice and though some of the hostesses backgrounds were surprisingly humble their aspirations were anything but During the inter war years these extraordinary women ruled over London society from their dining tables and salons entertaining everyone from the Mosleys to the Mitfords from millionaires to maharajahs from film stars to royalty and their influence can still be felt today The Duchess Of Windsor Greg King, 2011-05-01 A sympathetic and believable portrait of the American woman for whom King Edward VIII gave up the throne with photos included Christian Science Monitor A woman s life can really be a succession of lives each revolving around some emotionally compelling situation or challenge and each marked off by some intense experience It was the love story of the century the king and the commoner In December 1936 King Edward VIII abdicated the throne to marry the woman I love Wallis Warfield Simpson a twice divorced American who quickly became one of the twentieth century s most famous personalities a figure of intrigue and mystery both admired and reviled Wrongly blamed for the abdication crisis Wallis suffered hostility from the Royal Family and much of the world Yet interest in her story has remained constant resulting in a small library of biographies that convey a thinly veiled animosity toward their subject The truth however is infinitely more fascinating than the shallow pathetic portrait that has often been painted Using previously untapped sources acclaimed biographer Greg King presents a complete and for the first time sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986 King takes the reader through a world of privilege palaces high society and love with the accompaniment of hatreds feuds conspiracies and lies The cast of characters is vast politicians

and presidents dictators and socialites Twenty four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance A wide absurd cast of characters led by the British royal family Wallis lavish decorati

Oxford Dictionary of Modern Quotations Elizabeth Knowles,2007-08-23 This new collection offers a vivid picture of the world in the 21st century against a backdrop of the landmark events leading up to it From Catherine Tate and the Simpsons to Mother Teresa and Winston Churchill Modern Quotations charts the ebbs and flows of popular culture as well as marking the key voices and watersheds for our time An authoritative look up reference and an enjoyable source for browsing the perfect gift New quotations include You tried your best and you failed miserably The lesson is never try Homer Simpson Matt Groening I ain t a communist necessarily but I been in the red all my life Woody Guthrie I don t eat anything with a face Linda McCartney Never stop because you are afraid you are never so likely to be wrong Fridtjof Nansen I watch where the cosmetics industry is going and then walk in the opposite direction Anita Roddick I wish I had invented blue jeans Yves Saint Laurent Fame vaporizes money goes with the wind and all that s left is character O J Simpson **Poetry: the Simon Nowell-Smith Collection** Bertram Rota Ltd,2002 **The London Review of Books** ,1986 **The Oxford Dictionary of Humorous Quotations** Ned Sherrin,1995 In The Oxford Dictionary of Humorous Quotations noted writer and satirist Ned Sherrin has gathered nearly 5 000 quotations in a rollicking collection drawn from an international cast of humorists and pundits ranging from Shakespeare Jane Austen and Oscar Wilde to Groucho Marx Monty Python and Roseanne Arranged in themes from Actors and Acting including Dorothy Parker s famous barb on Katherine Hepburn s Broadway debut She ran the whole gamut of the emotions from A to B to Parents P J O Rourke Because of their size parents may be difficult to discipline properly to Youth Georges Courteline It s better to waste one s youth than to do nothing with it at all Sherrin has left no turn unstoned to collect the sharpest the wittiest the wryest in quips put downs and one liners **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library,1988 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1896 **The Illustrated London News** ,1967 **The New Statesman and Nation** ,1938 **New Statesman and Nation** ,1938 Global Studies William Spencer,2000 Presents statistics essays and newspaper and magazine articles on each country in the Middle East discussing the significance of Islam to the region and providing background on the region s modern conflicts **Pictorial Life of William McKinley, Twenty-fifth President of the United States, in Commemoration of the One Hundredth Anniversary of His Birth** Canton Repository,1943 The Encyclopedia Americana Alexander Hopkins McDannald,1943 *The Encyclopedia Americana* ,1944
