## Amazon Top Movies Usa:

*Big Copyright Versus the People* Martin Skladany, 2018-06-07 When the idea of copyright was enshrined in the Constitution it was intended to induce citizens to create Today however copyright has morphed into a system that offers the bulk of its protection to a select number of major corporate content providers or Big Copyright which has turned us from a country of creators into one of consumers who spend on average ten hours each day on entertainment In this alarming but illuminating book Martin Skladany examines our culture of overconsumption and shows not only how it leads to addiction but also how it is unraveling important threads of family friendship and community in our society Big Copyright versus the People should be read by anyone interested in understanding how Big Copyright managed to get such a lethal grip on our culture and what can be done to loosen it *Screen Digest*, 2004 **The Dictatorship of Woke Capital** Stephen R. Soukup, 2021-02-23 For the better part of a century the Left has been waging a slow methodical battle for control of the institutions of Western civilization During most of that time business and American Big Business in particular remained the last redoubt for those who believe in free people free markets and the criticality of private property Over the past two decades however that has changed and the Left has taken its long march to the last remaining non Leftist institution Over the course of the past two years or so a small handful of politicians on the Right Senators Tom Cotton Marco Rubio and Josh Hawley to name three have begun to sense that something is wrong with American business and have sought to identify the problem and offer solutions to rectify it While the attention of high profile politicians to the issue is welcome to date the solutions they have proposed are inadequate for a variety of reasons including a failure to grasp the scope of the problem failure to understand the mechanisms of corporate governance and an overreliance on state imposed top down solutions This book provides a comprehensive overview of the problem and the players involved both on the aggressive hardcharging Left and in the nascent conservative resistance It explains what the Left is doing and how and why the Right must be prepared and willing to fight back to save this critical aspect of American culture from becoming another more economically powerful version of the woke college campus **Natural History**, 2002 Media Literacy W. James Potter, 2018-12-27 Media Literacy teaches readers how to navigate through the overwhelming flood of information found in today's media saturated world Drawing from thousands of media research studies author W James Potter explores the key components to understanding the fascinating world of mass media Potter presents numerous examples and facts to help readers understand how the media operate how they attract attention and how they influence the public The Ninth Edition has been thoroughly updated to evolve with the ever changing media landscape and features a new chapter on fake news debating what we as news consumers can do to recognize fake news in order to avoid its influence Each chapter concludes with a set of exercises to help readers apply the chapter material to everyday life and engage in a step by step process to increase their own media literacy *The Almanac of American Employers: The Only Guide to America's Hottest, Fastest-Growing Major Corporations*
