COVER LETTER

Dear Hiring Manager,

I've had the opportunity to delve into the core of cloud infrastructure and web development during my tenure at Salesforce, a testament to my dedication to advancing in this dynamic field. My academic accomplishments, coupled with my practical experience, align seamlessly with the innovative work culture at your esteemed company.

Among my key achievements was when I took the initiative to resolve a critical bottleneck affecting the performance of our cloud systems during my summer internship at Salesforce. Through meticulous root-cause analysis, I identified a flaw in the service configuration that had gone unnoticed. By devising a streamlined solution, I was instrumental in enhancing the system's efficiency, evidenced by a notable 30% improvement in incident resolution time. This experience reinforced my problem-solving aptitude and underscored my capability to significantly contribute to a team focused on technical excellence.

I am eager to bring my background in cloud engineering and my proactive approach to problem-solving to your team. It would be a privilege to discuss how my experience and skills will be beneficial to your company's objectives, and I am looking forward to the opportunity to further explore potential contributions during an interview.

Sincerely, TAYLOR FOSTER, Computer Science Undergraduate
