Dear Mr. Fallma,

As a passionate professional with over three years of experience in the electronics industry, I am happy to apply to Apple's new software engineer position. My history of contributing sensational ideas for great products, services, and customer experiences make me confident I am an excellent fit for your team.

Throughout my years serving as a software engineer for PayPal, Skyworks, and Amazon, I have dedicated my efforts to understanding the needs of teams and building robust software components. Among my proudest achievements and strongest skills include:

- Creating and leading the building of a scalable and secure video streaming platform.
- Keeping up-to-date on the newest technology solutions to generate ideas and consistently tackle business challenges.
- Excellent problem-solving skills through clear and effective interpersonal skills.

As a fan of Apple products, I would be thrilled for the opportunity to apply my expertise toward your company's continued success.

I have enclosed my CV for your review and I would be happy to provide additional information about my background. Please feel free to schedule an interview at your earliest convenience.

Thank you for your time.

Best regards,
Lucas Anderson
