new traders all make the same mistakes over and over because they don't know any better. They do what everyone else is doing and study what everyone else is studying, thus they have the same results and failures as everyone else. Don't be that trader. If you can just take the time to read this information in this first book in the new upcoming series, let it sink in and then continue on your educational journey; you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in this business. If you just think about what this book is telling you to do logically and what to study, you can soon be driving your new Ferrari down the road paved of gold right to the front door of your bank to deposit all of your profits from the success from your new investing and trading business. By the time you have read this entire book, you will know just what it takes to become a consistently profitable investor and trader in today's financial markets. You also will know the exact steps to take, what to study, and the order it should be learned in. All of the information you need to get going and become successful is in this book for the brand new beginner so they begin to make money right away.

How to do Set it and Forget it Day Trading Ricardo Calca, Brand new day traders will love this book because it tells them the information they need to be able to have a low stress, easy way of investing and trading the financial markets if they have zero or very limited experience. The set it and forget it way of day trading, swing trading, or position trading is the easiest, fastest, and most low stress way of investing and trading there is for making high profits in today's fast moving markets if you are a beginner with limited experience. With this type of supply and demand, set it and forget it investing and trading, once you learn it and master it, you can be confident of setting your order in the live market and then taking your hand off the mouse and letting the market do all of the dirty work for you. It doesn't get any easier than that. If you are brand new to day trading and investing and are looking for a method which will allow you to learn the easiest and fastest way to begin making consistent high profits right away, then I encourage you to learn this method first as it will be the only method of trading you will need to use to make high profits consistently forever once you have learned and mastered the principles of supply and demand. Set it and forget it trading is the only way to have a truly hands off method of trading and investing where you can feel confident that you are making money with the smart money and letting them show you the way to high profits. Once you learn to see the smart money value areas on a price chart, you can set your order in the market where the smart money has theirs at, then just wait to get paid. No stress, no drama, just making money. Isn't that the way you would like to make money? You can get on the fast track to the knowledge you need with the information in this book. I encourage you to do what it says and to be diligent in your studies. This is some of the most important information you will read in your life as far as knowing what to do in the live market to win. Do you want to lose money right away or make money right away? You should take your time reading this book and read the entire book before you start your research into the education and training phase of set it and forget it trading. Do it the right way from the start on your first day and you should have no problem. Take your time; the market is always going to be there waiting to pay you. You can take that to the bank.
