Rojewski,Jacy L.

Rojewski,2001-06-30 Starting with questions about how to incorporate Chinese culture and custom into the lives of their adopted daughters Emily and Claire the authors began a year long search for answers The result is a detailed examination of the post adoptive views actions and experiences of a national sample of families with children from China toward acknowledging their adopted child's Chinese cultural heritage and the issues they face together as a multicultural family Historical and present day issues affecting intercountry adoptees and their families such as arguments used to support or oppose intercountry and transracial adoption developmental delay and the effects of institutionalization on Chinese adoptees parent child attachment discrimination and racial prejudice and identity development are detailed Parents beliefs and experiences on these issues are supplemented by a multi disciplined comprehensive review of available literature While occasionally relying on personal experiences this book is not about the authors personal adoption story and parenting experiences Rather the focus is on common experiences and reactions of adoptive families who were for the most part firmly ensconced in the cultural mainstream but now find themselves viewed differently by society these parents find that issues of culture race and ethnicity have become an important part of their everyday lives Adoption scholars and professionals as well as adoptive parents will benefit from reading Intercountry Adoption from China Mothering in the Third Wave Amber E.

Kinser,2008 Mothering in the Third Wave is a welcome addition to scholarship on both third wave feminism and feminist mothering The volume continues in the tradition of earlier third wave anthologies in its inclusive and diverse vision of feminisms and feminists while forging new ground in its focus on third wave mothers and third wave practices of mothering In exploring how the institution of motherhood is shaped by today's political and social realities Mothering in the Third Wave examines contemporary experiences of feminist mothering while connecting to earlier writing on the subject since the 1970s Recommended for readers of any generation interested in the complexities of feminist mothering in the twenty first century
