## **Ralstons Ring:**

The Two Andrea Dean Van Scoyoc, 2008-12-18 Pressley Barclay is a famous author with writer's block To escape the noise of the city he buys his dream home in the country It's a steal Or is it His heavenly home turns out to be more like hell and things get worse when he finds the mirror The mirror was meant to stay hidden The realtor told him that the prior owner claimed her husband was sucked in and disappeared Pressley is too curious with the mirror and finds himself in a world strangely familiar yet so different from his own Taking refuge in a spooky old house he finds them Like daylight and dark the men are enigmatic and sad With no way back home Pressley is in for the survival lesson of his life relying solely on his wits to solve a mystery spanning four centuries a decadent saga involving the two young men and how they died Will Pressley free the house of the torturous limbo it has endured for so long Or will his spirit be the newest addition to a house of solemn shadows and lost souls
