Ramble On:

The Rambles of a Wandering Priest Allen Martin Bair, 2011-12-01 This is a book about the path of Jesus Christ and one man's observations while trying to walk it. It is not for the faint of heart or of faith. It is written to Christians primarily about Christians and the Church in general. At times it is brutally honest. It challenges modern Christian teachings with the faith of those Christians who came before us. It speaks with the voice of the ancient Church within the language of psychology and today's pop culture. It shouts for a return to the core principles of what Jesus taught. It cries out that the first person who needs to be discipled is one's own self.
