Rambosnow Kill

TJ Klune

Rambosnow Kill:

Depth of Shallow Culture Albert J. Bergesen, 2015-12-03 Come take a closer look at ordinary footwear like sneakers or children's toys and Saturday cartoon TV shows or make a comparison between Don Quixote and John Rambo of the Sylvester Stallone movie. Although some regard popular culture as shallow, this book reveals that it is more often complex, deep, meaningful, and subject to the style changes we associate with high art. Bergesen shows how complex philosophical ideas of reincarnation are embedded in Transformer toys, how sneakers have gone through a life cycle of style types, why the decline of empires like Spain and the United States led to fictional characters like Don Quixote and Rambo, and why monsters from Japan look different than those from the United States. , **Video Hound's Golden Movie Retriever, 1991** David J. Weiner, Thomson Gale, 1991 Variety's Complete Home Video Directory, 1988 **Outlaw Heroes as Liminal Figures of Film and Television** Rebecca A. Umland, 2016-04-27 Unlike such romanticized renegades as Robin Hood and Jesse James, there is another kind of outlaw hero: one who lives between the law and his own personal code. In times of crisis when the law proves inadequate, the liminal outlaw negotiates between the social imperatives of the community and his innate sense of right and wrong. While society requires his services, he necessarily remains apart from it in self-preservation. The modern outlaw hero of film and television is rooted in the knight errant whose violent exploits are tempered by his solitude and devotion to a higher ideal. In Hollywood classics such as *Casablanca* (1942) and *Shane* (1953) and in early series like *The Lone Ranger* (1949-1957) and *Have Gun Will Travel* (1957-1963), the outlaw hero reconciles for audiences the conflicting impulses of individual freedom versus serving a larger cause. Urban westerns like the *Dirty Harry* and *Death Wish* franchises, as well as iconic action figures like Rambo and Batman, testify to his enduring popularity. This book examines the liminal hero's origins in medieval romance, his survival in the mythology of the Hollywood western, and his incarnations in the urban western and modern action film. **In the Lives of Puppets** TJ Klune, 2023-04-25 From New York Times bestselling author TJ Klune, *In the Lives of Puppets* is a queer retelling of the Pinocchio tale, inviting you deep into the heart of a peculiar forest and on the extraordinary journey of a family assembled from spare parts. A New York Times Sunday Times and Indie Bestseller, Winner of the Goodreads Choice Award for Science Fiction. In a small home built into the branches of a tree live a human named Victor and three robots. These are a pleasantly sadistic nurse machine, a small vacuum desperate for love and attention, and a fatherly inventor android named Giovanni Lawson. Together they're a family, hidden and safe. Then Vic salvages an unfamiliar android labelled HAP. He learns that Hap and Gio share a dark past where they hunted humans. And Hap unwittingly gives away Gio's location. Before they know it, robots from Gio's former life arrive to capture and return the android to his old laboratory in the City of Electric Dreams. The rest of the unconventional family must travel across an unforgiving and otherworldly country to rescue Gio from decommissioning. Or worse, reprogramming. Along the way, Vic must decide if he can handle his feelings for Hap, even if they come with strings attached. Inspired by Carlo Collodi's *The Adventures of Pinocchio*.

In the Lives of Puppets is a masterful standalone fantasy adventure from the author who brought you The House in the Cerulean Sea and Under the Whispering Door A deeply stirring journey through a world of extraordinary robots Chuck Tingle Hugo shortlisted author of Camp Damascus In the Lives of Puppets was a No 1 Sunday Times HB Bestseller w c 24 04 2023
