## **Randy Rhoads Guitar Vocal:**

**The Guitar Voice of Randy Rhoads** Francis Wayne Carew, 2018 Randy Rhoads was an influential rock guitarist whose synthesis of musical influences had an impact on heavy metal. He developed a classically influenced guitar style that inspired new developments in the guitar's virtuosic technique and harmonic and melodic language. The sound of heavy metal can be traced directly to his guitar style. Yet no definitive studies have been conducted on his guitar voice synthesis of musical influences or contribution to heavy metal music. This thesis is the first study to define the musical influences that make up Rhoads's innovative guitar voice and playing style. It examines his early childhood formal training and influences honing his skills in Quiet Riot, mastering his skills on *Blizzard of Ozz* and mastering his skills on *Diary of a Madman*. It provides a look at his guitar voice through his adaptation, synthesis, and implementation of musical influences by conducting a detailed musical analysis of the formal harmonic, rhythmic, and melodic aspects of the songs on *Blizzard of Ozz* and *Diary of a Madman*. The examination of his guitar voice and playing style is provided by the following materials: CDs, DVDs, books, scholarly journals, master's theses, and doctoral dissertations and transcriptions of songs on *Blizzard of Ozz* and *Diary of a Madman*. The aim of this thesis is to demonstrate that Rhoads's guitar voice and playing style are classically influenced and a synthesis of different musical styles. It advocates that his playing style pushed the hard rock music envelope, create a new approach to guitar playing that led to a more refined version of the music. It suggests that Rhoads's musical approach and mindset in the 1980s classical style virtuosity, harmony, and melody, and acoustic guitar was important to the development of the heavy metal sound, therefore placing him in the historical annals of popular music. [HAIRcyclopedia Vol. 1 - The Legends](#) Taylor T. Carlson, 2014-06-27 HAIRcyclopedia Vol. 1 The Legends is the first book from Taylor T. Carlson, the Las Vegas Valley's biggest fan of hard rock and heavy metal. The book features profiles for 60 of the hottest bands of the 80s and beyond, from popular bands like Motley Crue, Poison, and Guns N' Roses, right down to more obscure ones like Bang Tango, Tora Tora, and Honeymoon Suite. Each band has a band member list, discography, recommendations, and a band biography. Information has been pulled from the author's extensive personal notes and interviews with band members and fellow fans and experts. The book is printed in black and white, and the emphasis is more on information; this is an encyclopedia, not a coffee table book. However, the book features extensive photographs from David Plastik, a legendary photographer of the era, as well as other contributors. The newest edition of the book features some minor revisions, and some photos have been added, changed.
