Rangers My Team:

The Rangers, The Bruins, And The End of an Era Jay Moran, 2009 This book is a tribute to the rivalry the New York Rangers had with the Boston Bruins during the decade that Emile Francis ran the club Growing up these two teams are what defined hockey for me and the team was not simply a city or a sweater or a jersey it was the players As Mr Francis himself told me Every time we played it was a war That was the greatest rivalry I ve ever seen I wrote this book for the fans of both teams hoping that it would bring back some great memories from a time when the game was a lot different than it is today

Forsaken Warriors Robert L. Tonsetic, 2009-12-10 An insider s account of the South Vietnamese elites who strove to carry on the war against the Communists during the U S Army s withdrawal The book is a personal memoir of the author s service as a U S Army advisor during the end stages of America s involvement in Vietnam During the period 1970-71 the U S was beginning to draw down its combat forces and the new watchword was Vietnamization It was the period when the will of the U S to prosecute the war had slipped and transferring responsibility to the South Vietnamese was the only remaining hope for victory The author served as a U S Army advisor to South Vietnamese Ranger and Airborne units during this critical period The units that the author advised spearheaded several campaigns in South Vietnam Cambodia and Laos as the U S combat units withdrew Often outnumbered and outgunned the elite ranger and airborne units fought Viet Cong and North Vietnamese units in some of the most difficult terrain in Southeast Asia ranging from the legendary U Minh forest and Mo So mountains in the Mekong Delta to the rugged hills of southern Laos The role of the small U S advisory teams is fully explained in the narrative With little support from higher headquarters these teams accompanied the Vietnamese units on highly dangerous combat operations over which they had no command or control authority When U S advisors were restricted from accompanying South Vietnamese forces on cross border operations in Cambodia and especially Laos the South Vietnamese forces were badly mauled raising concerns about their readiness and training and their ability to operate without their U S advisors As a result a major effort was placed on training these forces while the clock continued to run on the U S withdrawal Having served with a U S infantry battalion during the peak years of the U S involvement in Vietnam Robert Tonsetic the acclaimed author of *Days of Valor* is able to view the war through two different prisms and offer criticisms and an awareness of why the South Vietnamese armed forces were ultimately defeated An exciting account of Robert Tonsetic s combat tours during the final stages of our long involvement in the Vietnam War Soldiers Marines training for advisory duty in Iraq or Afghanistan would do well to read this excellent work Proceedings Of special interest is the way Tonsetic recounts the dynamics of personalities their effect on indigenous commanders units A must read for any soldiers likely to conduct partnering activities in the future *Soldier Magazine* *Eleven Bullets*, *Papering Over the Cracks* Colin Murray, 2010-07-01 Do you yearn to find the real meaning to life or an inner peace that is true Are you fed up with wearing a mask Is life really getting you down That is exactly where Colin Murray was just a few years ago He invites you to travel with

him through his life while he paints a vivid picture reflecting on his childhood in Scotland describing his happy at times haphazard life in the North East coastal town of Portsoy He shares his experiences going beyond the safety of home in search of personal fulfilment You will witness him wearing an assortment of stereotypical hats the hat of the wise cracking bar fly the guilt ridden wrongdoer the compulsive business builder passionate protagonist and even the wronged dupe He admits that attempting to explain his personal quest for the truth has been extremely difficult because so much of his journey involves those mystical inner feelings that lie beyond the horizon of words The complicated paths and winding roads we follow are vast and varied but we all reach a time in our lives when we want to know at the deepest level if our existence and our Soul are compatible This book simply chronicles the quest for this fundamental truth Operation Dark Heart Anthony Shaffer,2011-06-02 Lieutenant Colonel Anthony Shaffer was part of a secret detachment of the US Army known as the Jedi Knights In Operation Dark Heart he reveals for the first time and in amazing detail the otherwise secret world of black operations and clandestine intelligence plots conducted by the Western allies in an alien terrain against often undefinable enemies This book is a gripping and compulsive insight into the espionage world and into a complex labyrinth of agencies that do not like to share secrets It is also the true and moving story of a twenty first century warrior Please note that sensitive information in this book has been redacted in accordance with the requests of US intelligence agencies **The Texas Ranger's Bride (Lone Star Lawmen, Book 1) (Mills & Boon Cherish)** Rebecca Winters,2015-08-01 **THE PRIDE OF TEXAS A Bride By Summer: The Texas Ranger's Bride / From Best Friend to Bride / Once Upon a Bride (Mills & Boon By Request)** Rebecca Winters,Jules Bennett,Helen Lacey,2018-06-14 **A Bride by Summer Historical Occurrences of the Lrrp/Rangers of the 1St Cavalry Division During the Vietnam War** John LeBrun,Bill Carpenter,2019-12-09 Many books have been written about the Vietnam War Most of them are just overviews of events and often focus on the political aspect of the conflict Rarely is an individual under the rank of general mentioned except for a paragraph or two about individuals who earned the Medal of Honor Some books have been written by individuals who actually saw combat They often name people who engaged the enemy These are people whose boots were not spit shined and uniform did not have starched creases This book contains stories by and about the men who served in one company the 1st Cavalry Division s LRRP Rangers Company in the Vietnam War *The Old Firm* William J. Murray,1984 *Aggression Fussballsport Zuschauer Fan Schottland Gesellschaft Imprint of My Life* Anthony Goyol,2008 **Idstone Papers** T.
