Rape What Would You Do If:

What We Talk About When We Talk About Rape Sohaila Abdulali, 2018-10-25 Thoughtful provocative and intelligent this game changing book looks at sexual assault and the global discourse on rape from the viewpoint of a survivor writer counsellor and activist Sohaila Abdulali was the first Indian rape survivor to speak out about her experience Gang raped as a teenager in Mumbai and indignant at the deafening silence on the issue in India she wrote an article for a women s magazine questioning how we perceive rape and rape victims Thirty years later she saw the story go viral in the wake of the fatal 2012 Delhi rape and the global outcry that followed Drawing on three decades of grappling with the issue personally and professionally and on her work with hundreds of other survivors she explores what we think about rape and what we say She also explores what we don t say and asks pertinent questions about who gets raped and who rapes about consent and desire about redemption and revenge and about how we raise our sons Most importantly she asks does rape always have to be a life defining event or is it possible to recover joy
