York Notes for AQA GCSE (9-1) Rapid Revision: AQA English Language Paper 2 eBook Edition Emma Scott-Stevens, 2019-07-12 *York Notes for AQA GCSE 9 1 Rapid Revision AQA English Language Paper 2* Speedy Reading: Fast Strategies for Teaching GCSE English Literature Post-Lockdown Emma Stott, 2020-11-10 We are often told that there are no quick fixes in teaching. This isn't entirely true. And post lockdown we need speedy fixes more than ever to get our students of English back on track. This book will show you how set texts can be reduced in a way that makes them richer. It will reveal how seemingly obscure literary theory can help learners of all abilities achieve rapidly. And it will help us prepare and revise for dreaded unseen texts using the precious days we have with students in the most efficient way. Emma Stott uses her experience as a teacher of early entry students and as a Research Lead to gather eight strategies that enable students to be better readers and critics of literature in general, not just of the same outwardly threadbare set texts. *Speedy Reading* promises to make you excited about those worn texts, the pleasures of unseen reading and even about the challenges to come.

The School Librarian, 1999 Teaching Modern Foreign Languages in Secondary Schools Ann Swarbrick, 2013-10-11 A companion to *Aspects of Teaching Secondary Modern Foreign Languages*, this book charts developments during the past few decades of reform in MFL teaching, considering the origins of these reforms and analysing their impact on the classroom. The reader is divided into four sections: Controversies and disagreements is an overview of changes to MFL teaching and learning during the last thirty years; MFL schools and society looks at the role of MFL in a wider social and educational context; Developing strategy looks at how more effective MFL teaching might be achieved; Research and the MFL teacher looks at the implications for classroom practice of recent research into MFL teaching and Learning. Pearlman, 1982 B The Seventh Edition builds upon its reputation as the most effective and economical solution to the widest variety of writing problems writers will encounter. This comprehensive guide uses the most effective teaching method there is: showing, not telling. Readers are guided to solve their writing problems almost entirely by means of typical real life examples. The authors maintain the brevity of previous editions and explain rhetorical principles in clear, concise language that students can easily understand and quickly implement. Even the longest sections take up only a few pages and each visually attractive page is designed to enhance the user friendly format of the guide. Further, the content is arranged alphabetically by correction symbol, a feature found in no other handbook. This format gives readers instant access to information relevant to the problem.
