## Rasputin And The Fall Of The Romanovs:

**Rasputin and the Fall of the Romanovs** Colin Wilson, 1964 About the life of Grigori Rasputin and his influence on the Romanov royal family of Russia *Rasputin and the Fall of the Romanovs*, 1964 Rasputin and the Fall of the Romanovs Mark Kulikowski, 1985 **Russian Autocrats from Ivan the Great to the Fall of the Romanov Dynasty** David R. Egan, Melinda A. Egan, 1987-08 No descriptive material is available for this title Nicholas and Alexandra Robert K. Massie, 2011-11-08 A magnificent and intimate Harper's modern classic of Russian history the spellbinding story of the love that ended an empire from the Pulitzer Prize winning author of Peter the Great The Romanovs and Catherine the Great A moving rich book This revealing densely documented account of the last Romanovs focuses not on the great events but on the royal family and their evil nemesis The tale is so bizarre no melodrama is equal to it Newsweek In this commanding book New York Times bestselling author Robert K Massie sweeps readers back to the extraordinary world of the Russian empire to tell the story of the Romanovs lives Nicholas's political naiveté Alexandra's obsession with the corrupt mystic Rasputin and little Alexis's brave struggle with hemophilia Against a lavish backdrop of luxury and intrigue Massie unfolds a powerful drama of passion and history the story of a doomed empire and the death marked royals who watched it crumble The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state The Romanovs - Box Set Robert K. Massie, 2013-04-03 Against a monumental backdrop of fabulous splendour intrigue and barbaric cruelty unfolds a powerful drama of passion and history This is the story of the Romanovs from the Tsar who brought Russia from darkness into light to one of the greatest female rulers in history and ultimately to the death marked royals who watched their empire crumble PETER THE GREAT Crowned at the age of 10 Peter embodied the greatest strengths and weaknesses of Russia while being at the very forefront of her development CATHERINE THE GREAT In 1762 Catherine rode out of St Petersburg at the head of an army to arrest her husband Three months later at the age of just 33 she became sole empress of the largest empire on earth NICHOLAS AND ALEXANDRA The story of Nicholas's political naivete Alexandra's obsession with the corrupt mystic Rasputin and little Alexis's brave struggle with haemophilia *The Romanovs* W. Bruce Lincoln, 1981 The Romanovs, Rasputin, & Revolution-Fall of the Russian Royal Family-Rasputin and the Russian

Revolution, With a Short Account Rasputin Princess Catherine Radziwill, Renee Elton Maud, 2017-09-05 The astonishing last days of the Russian imperial dynasty The principal work in this special Leonaur edition caused a sensation when it was first published since it is a tell it all from the pen of an insider in the Russian court during the first years of the 20th century Its revelations upon publication would have brought disaster upon the author Count Paul Vassili had he not died thus putting him beyond the vengeance of all earthly monarchs However the author was not in reality the deceased count but the living Princess Catherine Radziwill who had written disguised under the dead man s identity to avoid repercussions Her deception was successful and her true identity remained secret until after the catastrophic events that swept away the Romanov making exposes concerning their lives irrelevant Nevertheless there remains a fascination with the affairs of the doomed Russian royal family The murders of the tsar his wife and their children came about as a consequence of the Communist revolution in Russia which abhorred all that it believed to be decadent and dissolute No individual represented the disassociation of the royal family from its people more than the infamous mad monk Grigori Rasputin whose excesses and influence over the Tsarina Alexandra and her circle were a notorious scandal Princess Radziwill s writings open a window into the maelstrom of those incredible times revealing details and perspectives which could only come from an observer close to the events described in these pages To give another view from a female eye witness present at the royal court during this period this Leonaur edition also includes a short account of Rasputin at the height of his influence Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands

**Rasputin** Antony Beevor, 2026-04-14 From one of our most acclaimed historians a major new biography of one of history s most disturbing dubious masterminds showing how a Siberian peasant through his seduction of the imperial household contributed to the collapse of the greatest autocracy in the world When Russia s Dowager Empress was pregnant with the future Tsar she dreamed that a peasant would one day kill her son The idea terrified her and for the rest of her days she lived under the pressure of the prophecy Did the prophecy come true with the arrival at court of a mysterious barely literate moujrik from Siberia Grigori Rasputin In this extraordinary portrait of an enigmatic character Antony Beevor brings readers closer than ever before to Rasputin s scandalous life and death Though he had no official position at court Rasputin s hold over the Romanovs became the stuff of legend Exaggerated accounts of political and financial corruption swirled around him to say nothing of the stories of his debauchery with the Empress and even her daughters The consequences of the rumor and conspiracy theories were devastating when the February revolution broke out in 1917 hardly a sword was raised in the Tsar s defense Through extensive use of previously unpublished reports interviews and interrogations Beevor shows the truth of Rasputin s rampant lust and opportunism victimization of poor and vulnerable women and deep hypocrisy and corruption Part political thriller part gothic mystery Rasputin is a fascinating story of human perversity
