

# Back to school

**Susan, 14**

It's school time again! I'm feeling excited and maybe a little sad that summer is over. Some of my friends feel nervous on the first day of school because of all the new things: new teachers, new friends, and maybe even a new school. Seeing friends can make the first day a good one.

You can also make it a special day by wearing clothes you particularly like. But I feel that I like school.

**Charles, 13**

I'm always prepared for school, so I buy all the school objects (pencils, folders, and whatever I need) before classes begin. I usually take an extra dollar or two in my backpack for an emergency (like forgetting my sandwich) or I want to buy a book or magazine to read when I'm on the bus.

**Linda, 14**

This year everything will be different. First, I'm happy to go back to school. I will do my homework. I think it is important to develop good habits, like writing down my homework and giving it to my teacher on time. But besides all this I will respect the school rules, I will love school because, above all, school is fun.
