**Barons** Austin Frerick, 2025-09-02 Now with a new chapter on the Distribution Barons Best Books of 2024 Frerick's prose throughout is both direct and masterfully controlled with every point supported by extensive references and notes This is no alarmist screed but rather a careful systematic and utterly damning demolition job an exquisitely informed exposé A genuinely revelatory look at mass food production in the United States Kirkus Reviews starred In this eye opening debut study Frerick an agricultural policy fellow at Yale University reveals the ill gained stranglehold that a handful of companies have on America's food economy It's a disquieting critique of private monopolization of public necessities Publishers Weekly starred Barons is the story of eight titans of the food industry their rise to power and the consequences for workers eaters and democracy itself Readers will meet a secretive German family that took over the global coffee industry in less than a decade relying on wealth traced back to the Nazis to gobble up countless independent roasters They will visit the Disneyland of agriculture where school children ride trams through mechanized warehouses filled with tens of thousands of cows that never see the light of day And they will learn that in the food business crime really does pay especially when you can bribe and then double cross the president of Brazil Barons paints a stark portrait of corporate consolidation but it also shows that a fair healthy and prosperous food industry is possible if we take back power from the barons who have robbed us of it

Exploring Intelligent Decision Support Systems Rafael Valencia-García, Mario Andrés Paredes-Valverde, María del Pilar Salas-Zárate, Giner Alor-Hernández, 2018-02-07 This book presents innovative and high quality research regarding advanced decision support systems DSSs It describes the foundations methods methodologies models tools and techniques for designing developing implementing and evaluating advanced DSSs in different fields including finance health emergency management industry and pollution control Decision support systems employ artificial intelligence methods to heuristically address problems that are cannot be solved using formal techniques In this context technologies such as the Semantic Web linked data big data and machine learning are being applied to provide integrated support for individuals and organizations to make more rational decisions The book is organized into two parts The first part covers decision support systems for industry while the second part presents case studies related to clinical emergency management and pollution control

*Employment Law Update, 2020 Edition* HENRY H. PERRITT (JR.), Perritt Jr Henry H, 2020-03-14 Employment Law Update 2020 Edition analyzes recent developments of interest to employment law practitioners representing plaintiffs defendants and labor unions It comprehensively covers recent developments and case law in the rapidly changing employment and labor law field Comprised of 7 chapters each written by an expert in employment law this updated edition provides timely incisive analysis of critical issues Employment Law Update 2020 Edition provides where appropriate checklists forms and guidance on strategic considerations for litigation and other forms of dispute resolution Highlights of coverage in this 2020 Edition include Analysis of the proliferating state and municipal ordinances and statutes requiring employers to adopt predictable

schedules Case law under the Americans With Disabilities Act involving employees or applicants for employment who claim that their inability to relate well to others constitutes a statutory mental disability that must be accommodated How the acquiring firm in an acquisition and the surviving firm in a merger can improve the chances of retaining preferred employees including the likely impact of various equity and option arrangements The rapidly changing legal landscape for covenants not to compete including a review of basic common law concepts and the reach of new statutes that limit the enforceability of covenants in several states The possibility that employer rules may constitute unfair labor practices under the National Labor Relations Act under the doctrine of The Boeing Company case which allows employers to avoid liability by offering justification for rules such as those prohibiting employee use of camera in the workplace The controversy over political speech by professional athletes and the legal framework defining the rights of players teams and leagues considering that the First Amendment does not apply to the non state actors Guidance to multinational employers on how to conduct an internal investigation without running afoul of widely differing national laws on privacy and other employee rights Note Online subscriptions are for three month periods Previous Edition Employment Law Update 2019 Edition ISBN 9781543808452 New Mythologies in Design and Culture Rebecca Houze,2016-05-19 Taking as its point of departure Roland Barthes classic series of essays Mythologies Rebecca Houze presents an exploration of signs and symbols in the visual landscape of postmodernity In nine chapters Houze considers a range of contemporary phenomena from the history of sustainability to the meaning of sports and children s building toys Among the ubiquitous global trademarks she examines are BP McDonald s and Nike What do these icons say to us today What political and ideological messages are hidden beneath their surfaces Taking the idea of myth in its broadest sense the individual case studies employ a variety of analytic methods derived from linguistics psychoanalysis anthropology sociology and art history In their eclecticism of approach they demonstrate the interdisciplinarity of design history and design studies Just as Barthes meditations on culture concentrated on his native France New Mythologies is rooted in the author s experience of living and teaching in the United States Houze s reflections encompass both contemporary American popular culture and the history of American industry with reference to such foundational figures as Thomas Jefferson and Walt Disney The collection provides a point of entry into today s complex postmodern or post postmodern world and suggests some ways of thinking about its meanings and the lessons we might learn from it **How Walmart Inc can successfully enter Singapore market** Difrine Madara,2020-12-09 Academic Paper from the year 2020 in the subject Communications Public Relations Advertising Marketing Social Media grade A Kenyatta University course International Marketing language English abstract Singapore is the most developed economy in the Southeast Asia region with a GDP per capita of more than 90000 The country has a well developed retail sector buoyed with strong consumer base high disposable incomes high literacy rates and its strategic location This presented a review of macro environment competitive and SWOT analyses of the Singapore s retail industry to determine how Walmart Inc can

successful enter the market The review found that the strength of Singapore lies on its favorable business laws and regulations business friendly tax rates and high disposable incomes among Singaporeans Singapore is also highly developed in terms of physical infrastructure and serves as one of the busiest air traffic and sea port hubs in the world The high disposable income and economic freedom makes it hugely attractive for retail business like Walmart Stable political climate and socio cultural diversity also attracts new businesses to the country However the study found that corona virus pandemic and high labour and rental costs posed the biggest threats to Singapore retail industry Nonetheless the paper suggests adoption of franchising market entry strategy as the most appropriate Franchising is the most appropriate approach due to low costs and reduced risks of failure To be successful the retailer must select a franchisee of good reputation and with a shared vision Lastly Walmart can select a franchisee and prepare to enter Singapore market after country opens up for business in the aftermath of the current pandemic
