Martin, 2018-03-20 What if you could get in front of millions of prospects with the avid endorsement of famous influencers without spending a dime It's happening right in front of you every day Guest experts on TV radio podcasts blogs and live streaming are getting local and national exposure for their business and brand that they could never have afforded to reach with ads For a decade Areva Martin has used the media to build a huge platform that expanded the influence and power of her brand exponentially Media appearances on Dr Phil Anderson Cooper 360 The Doctors CNN MSNBC FOX and more have virtually eliminated the need of a marketing budget for her thriving law firm and non profit organization while securing her place as one of America's most sought after thought leaders In *Make It Rain* Areva breaks the silence to reveal what insiders know about the power of media appearances to revolutionize a business and brand and get your core message out to the people who need it most You'll learn how to Match your brand to the right audience and media venues Craft pitches producers can't resist Jump on breaking news shows Pivot and speak in soundbites like the pros Amplify every interview with social media Turn appearances into platform and become a rainmaker Never before have there been more ways to build a presence that matters Whether you are the executive of a corporation the author of an upcoming book the owner of a rapidly growing small business or the public face of a local nonprofit or association if you have a business to build or people you want to help nothing beats using the media to create the visibility influence and power you need Are you ready to Make It Rain *Marketing Case Studies in Emerging Markets* Dilip S. Mutum, Soo Yeong Ewe, Ezlika M. Ghazali, Racheal Louis

Vincent, 2024-04-01 There is an increasing interest in emerging markets because of the higher economic growth rates compared to developed economies However these markets have a diverse consumer base with unique needs and preferences As a result companies in these markets face different challenges and opportunities Unfortunately there is a lack of marketing cases from these markets This book presents actual real world marketing cases in these markets offering an in depth look at some of the issues faced by companies in different industries It is hoped that the cases would serve as valuable reference material for academics students professionals in marketing business strategy and other related fields as well as policymakers

to better understand the challenges of these markets and develop strategies to succeed in them

**Social TV** Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

**Video Game Policy** Steven Conway, Jennifer deWinter, 2015-10-14 This book analyzes the effect of policy on the digital game complex government industry corporations distributors players and the like Contributors argue that digital games are not created nor consumed outside of the complex power relationships that dictate the full production and distribution cycles and that we need to consider those relationships in order to effectively read and analyze digital games Through examining a selection of policies e g the Australian government's refusal until recently to allow an R18 rating for digital games Blizzard's policy in regards to intellectual property Electronic Arts corporate policy for downloadable content DLC they show how policy that is to say the rules governing the production distribution and consumption of digital games has a tangible effect upon our understanding of the digital game medium
