Public Relations Inquiry as Rhetorical Criticism William N. Elwood, 1995-06-30 Whether politically socially economically or psychologically postmodern institutions attempt to influence their environments through the use of rhetoric in their public relations campaigns As corporations increasingly dominate the public discourse we experience daily it becomes increasingly important to understand how that discourse operates and to become more informed creators and consumers of institutional rhetoric This volume examines the theoretical bases and practical effects of a variety of public relations campaigns The contributors demonstrate that rhetorical inquiry is a viable and underrated approach to explaining the influence of public relations campaigns Cases analyzed in the book range from those of national scope e g Mobil Oil's Observations campaign of the 1970s and 1980s to studies of targeted influence e g corporate recruitment videos to cases of internal relations e g issues management during corporate mergers to studies of local situations e g the anatomy of a local ballot issue campaign While the various contributors employ a broad range of rhetorical methods and analysis the discussions remain approachable and understandable for students and professionals alike

Public Relations Dennis L. Wilcox, Phillip H. Ault, Warren Kendall Agee, 1998 Describes the principles of public relations practice Explains the techniques used to carry out the principles Defines the ethical standards professionals should adopt

Communicating in the Health and Social Sciences Joy Higgs, 2005 Communicating in Health Sciences is written for all undergraduate students expecting to make their careers

within the health sciences profession In addition to providing support to students who are struggling with the rigours of their first year at university it assists in enlivening and enriching the presentation of accessible material for second and third year students

Government and the Food Industry: Economic and Political Effects of Conflict and Co-Operation L. Tim Wallace, William R. Schroder, 1997-09-30 These 23 contributions combine a theoretical and experiential approach to analyzing the threats and opportunities that food industry managers experience as a result of governmental incentives and restrictions The authors explore the ways in which the private sector reacts to the stimulus of public support measures the terms of trade between specific firms interests and governments and the ways in which markets and terms might evolve Both the New Zealand and US food industries are considered Annotation copyrighted by Book News Inc Portland OR

The British National Bibliography Arthur James Wells, 1998 American Book Publishing Record , 1995 **Forthcoming Books** Rose Arny, 2001-06 **Subject Guide to Books in Print** , 1993 The Public Relations Journal , 1986 **Journal of Corporate Public Relations** , 1990 **Public Relations Writing** Doug Newsom, Bob Carrell, 1995 This text covers all aspects of public relations writing with the practical approach that one would expect to find in a trade book but with the principles and theories interwoven so that students write with understanding and purpose Part One sets the scene for the kind of writing PR people do and the context in which they do it Part Two concentrates on the work of writing Part Three focuses on writing for small audiences while Part Four is directed at writing for the mass media and Part Five toward special audiences
