Public Worship And Public Work Character And Commitment In Local Congregational Life:

Public Worship and Public Work Christian Batalden Scharen, 2004 Description In a time of increasing cultural pluralism and vast religious restructuring in the United States Christian social ethics must take account of how values and commitments shape Christian communities In *Public Worship and Public Work* Christian Scharen examines theological claims about the relationship of worship and ethics by means of ethnographic study of the life worship and work of three vibrant congregations *Public Worship and Public Work* moves beyond two caricatures of the relationship between worship and social ethics Rather than resolute portrayals of the Church as a reflection of its culture and context and causal accounts of the Church's liturgy forming a Christian witness over and against culture this book lifts up congregational identity as an area of dynamic interaction between worship social ethics and culture Chapters in Part One are Liturgy and Social Ethics Characterizing a Debate and Sociologizing the Debate Identity Ritual and Public Commitment Chapters in Part Two Three Case Studies in Atlanta's Old Downtown are People Living Church The Catholic Shrine of the Immaculate Conception Jesus Saves Big Bethel African Methodist Episcopal Church and The Church at Work Central Presbyterian Church Part Three concludes with *The World in the Church in the World* **Public Worship and Public Work** Christian Scharen, 2001

Missional Worship, Worshipful Mission Ruth A. Meyers, 2014-12-12 Missiology A robust and practical theology that integrates worship and mission into a seamless whole Anglican Episcopal History A very useful and insightful text A remarkable synthesis of most of the best insights liturgical scholars and missiologists have gained regarding the relationship between mission and liturgy over the last decades George R Hunsberger Western Theological Seminary Ruth Meyers brings a deep grasp of what's at stake in the rediscovery of mission as the essence of the church together with a generous mastery of liturgical traditions to provide vision for seeing these two dimensions of the church's life as one This is the handbook that should accompany every Christian community on its worshiping witnessing journey Stephen B Bevens SVD Catholic Theological Union A wonderful faith filled meditation on the missional heart of worship A new classic in liturgical studies and in missiology as well Todd E Johnson Brehm Center Fuller Theological Seminary Ruth Meyers's approach to the issues surrounding worship and mission is spot on Instead of approaching worship from a missional slant or mission from a liturgical perspective she takes both topics back to their biblical and historical roots the nature of the church In practical and insightful ways Meyers demonstrates how a church's ministry in the world and its regular offering of worship reinforce one another Her careful direct evenhanded approach is a breath of fresh air to much of the current theological discourse Taylor W Burton Edwards *Worship Resources* Discipleship Ministries of The United Methodist Church Seminarians pastors deacons and worship leaders seeking to understand articulate or imagine how the basic and most enduring structures of Christian worship engage worshipers in the mission of God will discover in these pages both Meyers's wise and challenging counsel and many wonderful companions for the journey *International Bulletin of Missionary Research* A helpful and timely new

resource In *Missional Worship* Meyers does excellent work developing the notion that mission and worship are inseparably and integrally related Anglican and Episcopal History A very useful and insightful text particularly for those just beginning to explore the field of liturgical studies The book is a remarkable synthesis of most of the best insights liturgical scholars and missiologists have gained regarding the relationship between mission and liturgy over the last decades Church Times Myers deserves to be read because we need to hear this message in all parts of the Church of England today **Konkrete Identität** Gerhard Droesser, Ralf Lutz, Jochen Sautermeister, 2009 Das Grundanliegen aller Identitätsforschung in ethischer Perspektive lässt sich in der Frage zusammenfassen Wie kann der Mensch unter der Voraussetzung eines ihm je unverwechselbar eigenen genetisch bestimmten biopsychischen Potentials im Entfaltungshorizont der jeweiligen seine Lebenschancen ermöglichenden soziokulturellen Dispositionen und Erwartungen zur Bereinstimmung mit sich selbst gelangen Gerfried W Hunold Angesichts dieser Problemanzeige beleuchten die Beiträge dieses Bandes die Herausforderung gelebter Identität unter verschiedenen Zugängen Im ersten Teil stehen Grundlegungsfragen im Vordergrund die sich teils mit den Konstitutionsbedingungen und Realisationsprozessen der Identität moralischer Subjekte befassen und die teils wissenschaftstheoretisch und methodologisch reflektieren welche Konsequenzen daraus für das Selbstverständnis theologischer Ethik erwachsen Im zweiten Teil werden Vergewisserungen über das individuelle Selbst im Spiegel der Lebenswelt und des Lebenslaufes kontextualisiert

Reformation and Modern Rituals and Theologies of Baptism Bryan D. Spinks, 2006 This second of two volumes surveying the historical underpinnings of baptismal liturgies and theologies traces developments through the Reformation liturgies in the 18th and 19th centuries and explores important new ecumenical perspectives on developments of 20th Century sacramental discussion Present practices of Baptists Amish as well as Methodist Roman Catholic Lutheran Reformed and Anglican denominations are also examined **Ethnography as Christian Theology and Ethics** Aana Marie Vigen, Christian Scharen, 2024-10-31 How can qualitative research methods be a tool for social change Echoing the scandal of particularity at the heart of the Christian tradition theologians and ethicists involved in ethnographic research draw on the particular to seek out answers to core questions of their discipline This new edition features a dynamic selection of nuanced and provocative voices in this area of ethics and theology showing how in the past decade the kinds of qualitative methodologies employed have become more varied and sophisticated The leading and emerging scholars featured in this book have much to share how they approach this kind of work what they are learning in the process and what sorts of change is possible as a result This volume also pays tribute to the life and work of a pathbreaker in qualitative methods for the sake of theological imagination and social change the Rev Dr Melissa D Browning 1977-2021 **Perspectives on Ecclesiology and Ethnography** Pete Ward, 2012-03-15 Within the disciplines of religious studies systematic theology and practical theology there exists a divide between empirical and theological analyses of the church Each volume in the cross disciplinary series Studies in Ecclesiology and Ethnography attempts to address this gap by exploring the methodological and substantive

issues that arise from both theological and empirical studies of the church's practices and social reality Perspectives on Ecclesiology and Ethnography the inaugural volume in the series proposes that if theology is to regain its relevance to the church today theologians must utilize ethnographical tools in order to provide more accurate disciplined research that is situated in real contexts Using ethnography in its broadest sense encompassing any form of qualitative research this volume proposes that the church is both theological and social cultural which implies the need for a methodological shift for researchers in theology Contributions from twelve scholar practitioners lead the way forward Contributors Luke Bretherton Paul S Fiddes Nicholas M Healy Mary McClintock Fulkerson Alister E McGrath Richard R Osmer Elizabeth Phillips Christian Scharen John Swinton Pete Ward Clare Watkins John Webster On Our Way Rejoicing Norm Kohn, 2008-01-23 To celebrate its sesquicentennial Central 1858 2008 has gathered a collection of histories memories and musings from its members as well as former staff and their families The result is a colorful patchwork quilt of both research and recollection that captures this venerable Atlanta congregation's rich array of ministries programs and activities through the years Members and visitors alike receive a warm welcome at Central Presbyterian Church in Atlanta a church well known for its inclusive hospitality Within this historic place at the heart of the old city all receive strength from the ministries of worship education and congregational nurture and leave equipped to respond to the ever changing needs of the community and the world Central as it appeared in 1937 provides a backdrop for the Palm Sunday march on Capitol Hill Political Formation Jenny Leith, 2023-01-31 What might it mean us to be formed as disciples not only by the church but also by the world In Political Formation Being Formed by the Spirit in Church and World Jenny Leith argues that ethical and political formation of Christians takes place through the work of the Spirit both in the church and in civic life and the church too has something to learn from wider political practices and movements This account of formation places centre stage a reckoning with the forms of exclusion and marginalisation that mar the church and yields an understanding of the church as not only ethically formative but also in constant need of being formed itself Offering a fresh vision for ecclesiology which grapples with the ethical failings of the church and takes seriously the need for the church to keep on recognising and repenting of its sins the book offers a major new contribution to discussions around Christian formation and the relationship between discipleship and ethics **The Catholic Periodical and Literature Index** ,2005 *The Catholic Library World* ,2004
