Punishment And Modern Society A Study In Social Theory:

Punishment and Modern Society David Garland,1990 Arguing that penal institutions are social and cultural artefacts as well as techniques of crime control this book explores how penalty interacts with a variety of social forces including strategies of power socio economic structures and cultural sensibilities **Die Bestrafung wissenschaftlichen**

Fehlverhaltens Felicitas Heßelmann,2020-07-02 Wie reagiert die Wissenschaft auf Fehlverhalten innerhalb ihrer Gemeinschaft an welchen Normen und Werten orientiert sie sich dabei und wie begründet sie diese Felicitas Hesselmann untersucht die institutionellen Umgangsweisen mit wissenschaftlichem Fehlverhalten anhand von Interviews und Dokumentenanalysen Theoretisch fundiert zeichnet sie das diese Verfahren prägende Spannungsfeld zwischen einer Ordnungsvorstellung wissenschaftlicher Selbstreinigung und einer Ordnungsvorstellung autoritativer Sanktion nach Wissenschaft erscheint so als der seltene Fall einer sozialen Gemeinschaft ohne geteilte Normen die an die Stelle des rechtsstaatlichen Versprechens auf Universalität und Stabilität ein Versprechen auf Unvorhersehbarkeit und Interpretationsoffenheit setzt **Crime and Social Theory** Eamonn Carrabine,2017-05-04 What can social theory really

teach us about crime in the world today This book gives an overview of key theoretical debates alongside explanations of cutting edge research to show how abstract thought relates to everyday experience Looking at global crime to street crime it brings together the most significant work on crime and social theory **Crime, Law and Society** Malcolm M.

Feeley,2017-07-05 Malcolm Feeley's work is well known to scholars around the world and has influenced two generations of criminologists and legal scholars He has written extensively on crime and the legal process and has published numerous articles in law history social science and philosophy journals two of his books *The Process is the Punishment* and *Court Reform on Trials* have won awards This volume brings together many of his better known articles and essays as well as some of his lesser known but nevertheless important contributions all of which share the common theme of the value of the rule of law albeit a more sophisticated concept than is commonly embraced The selections also reveal the full range of his interests and the way in which his research interests have developed Theories of Crime and Punishment Claire Grant (Lecturer in

law),Claire Valier,2002 This exciting new book in the Longman Criminology Series provides a critical introduction to the principal theories of crime and punishment from the late eighteenth century to the present day The approach addresses the social and political context from which each theory emerged as well as its place within the intellectual development of the discipline Readers are offered guidance on a close reading of the original texts in the area many of which are by now seen as classics Both academic and popular ideas and images of crime and punishment are discussed **Criminal Justice** Ian

Marsh,John Cochrane,Gaynor Melville,2004 This new text encourages students to develop a deeper understanding of the context and the current workings of the criminal justice system The first part offers a clear and comprehensive review of the major philosophical aims and sociological theories of punishment the history of justice and punishment and the developing

perspective of victimology In the second part the focus is on the main areas of the contemporary criminal justice system including the police the courts and judiciary prisons and community penalties There are regular reflective question breaks which enable students to consider and respond to questions relating to what they have just read and the book contains useful pedagogic features such as boxed examples leading questions and annotated further reading This practical book is particularly geared to undergraduate students following programmes in criminal justice and criminology It will also prove a useful resource for practitioners who are following vocationally based courses in the criminal justice area in social work youth justice and police training courses The Rise and Fall of the Rehabilitative Ideal, 1895-1970 Victor

Bailey, 2019-04-09 Spanning almost a century of penal policy and practice in England and Wales this book is a study of the long arc of the rehabilitative ideal beginning in 1895 the year of the Gladstone Committee on Prisons and ending in 1970 when the policy of treating and training criminals was very much on the defensive Drawing on a plethora of source material such as the official papers of mandarins ministers and magistrates measures of public opinion prisoner memoirs publications of penal reform groups and prison officers the reports of Royal Commissions and Departmental Committees political opinion in both Houses of Parliament and the research of the first cadre of criminologists this book comprehensively examines a number of aspects of the British penal system including judicial sentencing law making and the administration of legal penalties In doing so Victor Bailey expertly weaves a complex and nuanced picture of punishment in twentieth century England and Wales one that incorporates the enduring influence of the death penalty and will force historians to revise their interpretation of twentieth century social and penal policy This detailed and ground breaking account of the rise and fall of the rehabilitative ideal will be essential reading for scholars and students of the history of crime and justice and historical criminology as well as those interested in social and legal history **Kölner Zeitschrift für Soziologie und**
