What are the Perceived Benefits of Pet Ownership Amongst Older

Adults? Olivia Trovarelli,2019 Older adults individuals aged sixty and above are the fastest growing subset of the population The field of geriatric social work will be rapidly expanding in the coming years to meet the needs of older adults Companion animals offer comfort companionship highlight aa sense of purpose for the older adult promote exercise and can serve to

enhance one's mood The purpose of the study examined the perceived benefits of pet ownership amongst four older adults whom live alone in the New Haven county area Companion animals have the potential to increase an individual's mood physical health and add enhanced socialization Most research that has been conducted regarding the benefits of older adults and animal interaction consists of animal assisted intervention conducted in long term care facilities with residents whom displayed cognitive impairment and loneliness A qualitative study was conducted that consisted of twenty five minute semi structured interviews in which four older adults participated whom were gleaned through purposive and convenience sampling Through conclusion of the interviews positive results were garnered that included the rationale of becoming a pet owner and the perceived benefits of being a pet owner Results included companionship feeling of being loved a sense of purpose and motivation increased human interaction sense of protection to combat loss and grief reduction of loneliness and improvement of mood

Improving Well-being for Older Adults Through Pet Therapy Jesi Gelbaum, 2015 Abstract The aging process comes with many challenges including declining physical health increased isolation and feelings of loneliness depression anxiety and development of dementia Older adults who own pets often experience many benefits including increased levels of exercise and social engagement with their peers decreased feelings of loneliness and a stronger sense of purpose due to being responsible for caring for an animal Research has shown that pet therapy can also be beneficial for older adults The purpose of the project was to develop a pet therapy program for older adults identify potential funding sources and write a grant to fund the program at Jewish Family and Children's Services of Long Beach and West Orange County The proposed program is a pet therapy program incorporating animal assisted interventions into both group and individual therapy for older adults experiencing depression anxiety and isolation Implications for social work practice are discussed The actual submission and or funding of this grant were not required for the successful completion of this project

What Are Pets, The Different Types Of Pets, The Benefits Of Having A Pet, The Problems With Not Having A Pet, And How To Generate Extreme Wealth Online On Social Media Platforms By Profusely Producing Ample Lucrative Income Generating Assets Dr Harrison Sachs, 2022-02-24 This essay sheds light on what are pets demystifies the different types of pets reveals the benefits of having a pet and explicates the problems with not having a pet Furthermore how to generate extreme wealth online on social media platforms by profusely producing ample lucrative income generating assets is elucidated in this essay Additionally the utmost best income generating assets to create for generating extreme wealth online in the digital era are identified how to become a highly successful influencer online on social media platforms is elucidated and the plethora of assorted benefits of becoming a successful influencer online are revealed in this essay Moreover how to attain extreme fame leverage is demystified and how to earn substantial money online so that you afford to eminently enrich every aspect of your life is meticulously expounded upon in this essay Pets are deemed to be tamed animals which reside with you as companions Pets often reside in the same environments as human beings such as home environments Pets are

able to provide people with companionship and usher in unalloyed excitement into their lives A mostly empty room feels all the more lively when it is inhabited by pets Ushering in a couple dogs or a couple cats into a mostly empty room reinvigorates the atmosphere of the room A room that provides a solitary environment no longer is an solitary environment when it is inhabited by pets Pets are often companion animals Having pets is able to provide a myriad of benefits to people Pets for instance can help people to alleviate stress and anxiety Pets for instance can also help people to be motivated to exercise more frequently Pet can also help people to remedy loneliness and can help people to promote their well being if they feel at ease as a result of having pets Spending time with a pet can boost a person s mood and allow them to divert their attention away from the dwelling on stressors anxieties fears and pessimistic thoughts if a person for instance lives an ineffable distressful harrowing and agonizing life that undermines their well being Diligently taking care of a pet is a major responsibility that not everyone is properly prepared to handle Diligently taking care of a pet requires a person to constantly tend to the pet s needs and not shirk on doing so Diligently taking care of a pet can require a substantial amount of time and can be expensive Not everyone has the wealth to be able to become a pet owner Certain people are reticent about ushering pets into their home environments since doing so can be an encroachment on the pet s right to liberty In other words having a pet entrapped in a home environment is a disservice to a pet since it deprives them of the right to liberty A fish entrapped in a fish bowl is denied the opportunity to traverse the ocean A bird entrapped in a bird cage is denied the opportunity to fly across the sky A frog entrapped in a vivarium tank is denied the opportunity to live in wetlands A dog entrapped in a home environment is denied the opportunity to live in prairies A rabbit entrapped in a home environment is denied the opportunity to live in meadows A cat entrapped in a home environment is denied the opportunity to live in grasslands A horse entrapped in a horse pen is denied the opportunity to live in prairies Certain people are deterred to own a pet since they believe that doing so would be an encroachment on the pet s right to liberty which would thereby compromise the pet s quality of life It can be cumbersome to provide a pet with a higher standard of living then they could reap if they were able to live anywhere in the wild Not everyone is capable of providing a pet with a higher standard of living then they could reap if they were able to live anywhere in the wild It does however remain enigmatic if a pet with a mediocre standard of living is happier living with human beings in a home environment
