Ticket Scalping Kerry Segrave, 2006-11-15

Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public

opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets The Commercial Theater Institute Guide to Producing Plays and Musicals Ben Hodges, Frederic B. Vogel, 2007-01-01 Now in its 25th year the Commercial Theater Institute sponsors an annual intensive program in New York for individuals interested in producing or investing in the theatre that attracts people from all over the world The top working theatre professionals offer hard factual information to those interested in producing for Broadway Off Broadway Off Off Broadway anywhere in North America as well as in the United Kingdom The Commercial Theater Institute Guide to Producing Plays and Musicals now collects for the first time the cream of the crop of that advice from the noted theatre professionals who participate in the program in their own words Interviews contributions and a resource directory are included from 30 theatre professionals who have won a total of 45 Tony Awards Agents directors production designers general managers fundraisers marketing directors producers and theatrical attorneys all offer invaluable advice in a book that will be the definitive resource in its field Issues of The Season, the Stage, Fifth Avenue Theatre, the Matinee, and the Prompter Interspersed and Bound in Chronological Order, August 16, 1869 - July 19, 1871: First season, 1869-70 ,1869 **A few words of advice on travelling and its requirements, addressed to ladies, by H.M.L.S. With short vocabulary in Fr. and German** H. M. L. S., 1875

Four Corners Level 4 Teacher's Edition with Assessment Audio CD/CD-ROM Jack C. Richards, David Bohlke, 2011-10-31 A collection of twelve lessons that teach English language grammar vocabulary functional language listening and pronunciation reading and writing and speaking **The Humana Festival** Jeffrey Ullom, 2008-06-19 Far from the glittering lights of Broadway in a city known more for its horse racing than its artistic endeavors an annual festival in Louisville Kentucky has transformed the landscape of the American theater The Actors Theatre of Louisville the Tony Award winning state theater of Kentucky in 1976 successfully created what became the nation's most respected new play festival the Humana Festival of New American Plays The Humana Festival The History of New Plays at Actors Theatre of Louisville examines the success of the festival and theater's Pulitzer Prize winning productions that for decades have reflected new play trends in regional theaters and on Broadway the result of the calculated decisions dogged determination and good luck of its producing director Jon Jory The volume details how Actors Theatre of Louisville was established why the Humana Festival became successful in a short time and how the event's success has been maintained by the Louisville venue that has drawn theater critics from around the world for more than thirty years Author Jeffrey Ullom charts the theater's early struggles to survive the battles between troupe leaders and the desperate measures to secure financial support from the Louisville community He examines how Jory established and expanded the festival to garner extraordinary local support attract international attention and entice preeminent American playwrights to premier their works in the Kentucky city In The Humana Festival Ullom provides

a broad view of new play development within artistic administrative and financial contexts He analyzes the relationship between Broadway and regional theaters outlining how the Humana Festival has changed the process of new play development and even Broadway's approach to discovering new work and also highlights the struggles facing regional theaters across the country as they strive to balance artistic ingenuity and economic viability Offering a rare look at the annual event The Humana Festival provides the first insider's view of the extraordinary efforts that produced the nation's most successful new play festival **The Best of New York** André Gayot, 1994 Broadway's Best John Chapman, 1959

Reconstructing Times Square Alexander J. Reichl, 1999 When the big ball drops on New Year's Eve thousands are there to witness that great glittering sight while millions more watch on national television Times Square may be the cultural hub of America the Crossroads of the World but its lights have not always shone as brightly as they do now Once a glamorous theater district Times Square and 42nd Street had degenerated into a neighborhood known for the winos and sex shops of Midnight Cowboy until New York's business and arts communities stepped in These advocates of urban revitalization exploited cultural and historic preservation arguments to transform a low income entertainment district into a Disney fied tourist mecca Where Ratso Rizzo once kicked cars and hookers plied their trade Mickey Mouse now greets visitors from atop a Disney superstore surrounded by rising office towers theaters and theme restaurants all thanks to huge tax subsidies and government support Alexander Reichl tells the fascinating story of how cultural politics and economic greed transformed the city's physical and social environment with an ongoing multibillion dollar redevelopment program changing the district from a symbol of urban decline to one of urban renaissance He explains the political significance of the historic preservation and arts related approach to urban revitalization showing how it was used to appeal to the upscale values of middle class New Yorkers often hostile to urban renewal He also examines the role of the Walt Disney Company in the project and demonstrates its power to redefine a premier public space In telling the story of Times Square Reichl reveals much about politics and power at the city level and their relationship to the development of urban space He frames his lively narrative with an illuminating account of how historic preservation initiatives at all government levels have displaced large scale federal urban renewal programs as the dominant approach to urban development and he shows the importance of political discourse and cultural politics in mobilizing public support for urban redevelopment Now that it has been reconfigured for the 21st century Times Square provides a rich and multifaceted case for exploring the latest trends in urban renewal Yet Reichl suggests much that has happened here is regrettable the ousting of low income citizens to serve commercial interests the loss of a culturally diverse entertainment district and the failure to address persistent class and race based segregation in a central urban area By getting to the heart of the Great White Way **Reconstructing Times Square** provides an important look at urban renewal and politics in a changing America **The Theatermania Guide to Musical Theater Recordings** Michael Portantieri, 2004 The first ever comprehensive guide to musical theatre recordings this book covers the entire

history of musical theatre From Jerome Kern and the Gershwins to Bernstein and Sondheim here are capsule reviews and ratings of more than 400 theatre recordings of the past 60 years Organized alphabetically each listing contains background information on the show cast information record label catalogue number whether the recording is currently in print and an overall rating of one to five stars *Critical Digest* ,1953 TCI ,1996 *The American Mercury* ,1927 **Theatre News** ,1984 Whist ,1895 *Time Out New York* Keith Mulvihill,2006 New York attracts millions of visitors each year in search of the glitz and glamour the lively arts scene rich history and immigrant heritage The vibrant boomtown is experiencing a cultural and economic upswing that has brought new sights and sounds to its already rich cultural vistas From Central Park Upper Fifth Avenue and Museum Mile to the hottest downtown and Brooklyn hoods Greenwich Village the Meatpacking District Carroll Gardens and more Time Out points visitors to both the well known and the under the radar sights Plus we review the new hotels and the best of the constantly changing dining drinking and shopping scenes Cinehistory Anthony R.
