Successful Social Networking in Public Libraries Walt Crawford, 2014 Most commentaries to date on library use of social networks such as Facebook and Twitter have focused on a handful of well funded public libraries with high profile employees Now Crawford s *Successful Social Networking in Public Libraries* fills in the rest of the picture offering for the first time an in depth look at how a large variety of public libraries are using social networks Examining nearly 6 000 libraries across the US Crawford Analyzes social network usage by libraries of many different sizes and funding levels showing how many of them are active and effective in quite different ways Offers many examples that will help other libraries establish or refine their own social networking activities Lays out several key questions that libraries should ask themselves such as Who do we want to reach and What s the best way to interact with communities Gives libraries guidelines for setting social networking goals and conducting ongoing evaluation Includes illuminating comments from numerous librarians on the front lines of communication Based on broad research Crawford draws a vivid portrait that shows how a wide range of public libraries is conducting digital outreach and marketing through social networking

The Basics of Media Writing Scott A. Kuehn, Andrew Lingwall, 2016-12-08 The Basics of Media Writing A Strategic Approach helps readers develop the essential writing skills and professional habits needed to succeed in 21st century media careers This research driven strategy based media writing textbook digs deeply into how media professionals think and write in journalism public relations advertising and other forms of strategic communication Authors Scott A Kuehn and Andrew Lingwall have created two comprehensive writing models to help students overcome their problems in finding and developing story topics by giving them starting points to begin writing The Professional Strategy Triangle model shows students how to think critically about the audience the situation and the message before starting a news story or persuasive piece and the FAJA four point model asks students a series of questions about their story type Fact Analysis Judgment or Action to guide them to the right angle or organizational structure for their message Rooted in classical rhetorical methods this step by step technique enables readers to strategically approach each writing task no matter the format
