Are you looking to utilize vertical video option? You should be. The short form video format helped numerous small creators break out and reach a massive audience. We present you with a fantastic opportunity to get started with Vertical Video and gain expertise on it. Vertical video ads get a 150% higher click through rate than horizontal ones. The number of vertical videos uploaded to social media will reach 2 billion by year end. The new Vertical Video has become a goldmine for businesses and brands to reach wider audiences and grow globally. More than ever before, internet users are looking for quickly consumable information and entertainment that can be accessed across various devices. It is therefore no surprise that Vertical Video is a growing trend in the online world. The popular short form content platforms such as Snapchat Stories, TikTok, Instagram Reels, and YouTube Shorts have created a vertical revolution. Now the creators who create these videos on various platforms are rewarded for their work. All these platforms have been monetized. With hundreds of thousands of creators and artists already on all these platforms creating daily a backlog of millions of videos with 500 hours of new content being uploaded every minute, there's plenty of reason to believe vertical videos have the headstart its competitors never did. If you are a business owner, you must think of new and innovative ways to make people take notice of your products and services. So here we are with our Awesome course Vertical Video Income Stream Training Guide. This guide will educate you about steps to create vertical videos, upload them, analyze them, content creation strategy, ways to promote and boost your eCommerce business, common mistakes marketers make, and so much more.
