Spotify Memes Today Last 90 Days:

First Floor Volume 1 Shawn Reynaldo, 2023-08-31 First Floor started small At first it was just a newsletter an outlet where veteran electronic music journalist Shawn Reynaldo could write and share his ideas without having to contend with outside editors or cater to social media algorithms It was a blank canvas and Reynaldo began to fill it with his extended thoughts on not just electronic music but the culture and industry that surrounded it Just a few years later First Floor now stands as one of electronic music s most influential platforms particularly as Reynaldo continues to put many of the genre s thorniest issues under the microscope First Floor Volume 1 collects his most thought provoking pieces and provides a nuanced wide ranging look at contemporary electronic music culture as it comes to grips with systemic challenges during a time of profound transformation Whether he s taking a hard look at the genre s futurist ethos questioning the practices of the modern music press or mapping out what motivates dance music s newest generation Reynaldo applies an undeniably critical lens but his words are informed by decades of experience a genuine passion for the subject matter and an open minded outlook toward whatever changes lie ahead
