Do Good Anne Bahr Thompson, 2017-11-30 Increasingly today in every age group consumers are committing to brands that show good citizenship from fair employment practices to social responsibility to charitable giving In fact support of these generous and socially aware companies is so high that good works and charitable giving are necessary for companies that aspire for financial success Do Good documents the sea of change that has impacted the twenty first century marketplace more than even the most optimistic of business forecasters including examples such as Toms grew into a 600 million company by giving away 35 million pair of shoes Patagonia s profits have climbed year after year even as it funnels heavy investments into sustainability CVS s strategic decision to start destocking cigarettes in all stores Customers have shown with their wallets the types of businesses they will support and that they will quickly call out negligence Buyers today demand more than half hearted pledges from companies who are clearly just trying to show less profits and decrease their taxes By implementing the five step model for the new rules of business laid out in Do Good Trust Enrichment

Responsibility Community and Contribution companies can take the necessary steps to embed social consciousness into their DNA in turn capturing both markets and hearts

The Bezos Blueprint Carmine Gallo, 2022-11-15 The communication and leadership secrets of Jeff Bezos and how to master them from the bestselling author of Talk Like Ted Jeff Bezos is a dreamer who turned a bold idea into the world's most influential company a brand that likely touches your life every day As a student of leadership and communication he learned to elevate the way Amazonians write collaborate innovate pitch and present He created a scalable model that grew from a small team in a Seattle garage to one of the world's largest employers The Bezos Blueprint by Carmine Gallo reveals the communication strategies that Jeff Bezos pioneered to fuel Amazon's astonishing growth As one of the most innovative and visionary entrepreneurs of our time Bezos reimaged the way leaders write speak and motivate teams and customers The communication tools Bezos created are so effective that former Amazonians who worked directly with Bezos adopted them as blueprints to start their own companies Now these tools are available to you
