Power Behind Positive Thinking Unlocking Your Spiritual Potential:

The Power Behind Positive Thinking Eric Fellman,1996 Offers a point by point program of self improvement through spiritual tools and principles based on simplicity and belief in God

God's Unreasonable Reasoning Dr. Preston Williams II,2018-09-30 God reveals Himself to us in the Holy Scriptures and from His Word we can learn about His nature His character and His plan for humankind Yet this spiritual journey takes something more than just reading the words in the Bible and applying our own interpretations it takes authentic faith and a good deal of help from the Holy Spirit God's Unreasonable Reasoning is a captivating spiritual guidebook that can help you understand God's reasoning in life's many transitions and it can change the way you interpret the experiences that you don't understand in your daily life Author and ordained bishop Dr Preston Williams II offers insight into why human reasoning can't assume that God sees things as we see them explaining how human reasoning can be an enemy of faith since it is driven by our human nature and the physical experiences of life With this understanding you can experience the self discovery and the wisdom that can prepare you to confront the rapid and complex challenges and transformations in today's world Sharing his own remarkable personal stories of trials transitions and ultimate triumphs Dr Williams invites you to be inspired to follow your own dreams by seeing the world through God's eyes and allowing your path to be illuminated by biblical principles metaphors and insights that will stir your soul and touch the core of every heart earnestly seeking its own destiny on the journey of life

The God of How Dr. Preston Williams II,2013-10-21 When you are at the end of your proverbial rope your mind and heart may be filled with questions about how such difficulties fit in with God's plan for your life It is during those times that you need straight talk and forward thinking principles In **The God of How** Understanding How Trials Transitions and Triumphs Fit into God's Plan for Your Life Dr Preston Williams II seeks to help you understand God's involvement in life's many transitions Through true life stories and biblical references you can come to understand the key points of change including submitting to God's process examining your options acknowledging your resources and support systems and maintaining confidence in yourself and in God's track record for success As you make your way through the personal stories and spiritual reflections included in this study you can begin to see life situations from a purposeful vantage point Be inspired to follow your dreams by seeing the world through God's eyes and prepared to confront the rapid and complex life challenges and transformation in the twenty first century
