Editor & Publisher Newspaper Data Book, 2003 **Unlearning the Hush** Marlee S. Bunch, 2025-10-07 Despite significant challenges and historical opposition, Black female teachers stood at the forefront of advocating for and providing education to Black students. Their dedication not only improved opportunities for Black communities but also influenced changes in U.S. laws and societal expectations. Marlee S. Bunch draws on oral histories to illuminate the interior lives of Black female educators who taught before and after desegregation in Hattiesburg, Mississippi. In their own voices, these women detail the hurdles they faced guiding students through Jim Crow laws and the Civil Rights era desegregation. Bunch unearths the personal stories of teaching and activism during a historic time that included the Brown v. Board of Education decision and white massive resistance to desegregation. The educators highlight the significance of the Black community and the role of Black homes in fostering student success and

community cohesion In addition Bunch looks at the legacies of Black educators and the work still to be done Visual artwork and poetry complement the text Inspiring and immersive Unlearning the Hush blends personal memory with Civil Rights history to document the pivotal role Black women played in education during a transformative and charged period in American history **Hunt's Guide to Michigan's Upper Peninsula** Mary Hunt,Don Hunt,2001 Recommends where to eat stay and camp Describes natural attractions outdoor recreation trails beaches history geology shops with honest appreciative discernment Many annotated maps *Collectibles Market Guide and Price Index* Collectors' Information Bureau,1995-11
