## **Power Labor And Livelihood Processes Of Change In Rural Java:**

**Power, Labor, and Livelihood** Gillian Patricia Hart, 1986-01-01      The Institutional Approach to Labour and Development Gerry Rodgers, Klára Fóti, Laurids Lauridsen, 2005-06-28 Bringing together the work of economists and sociologists this collection analyses how social institutions contribute to an understanding of development      Capitalism and Agrarian Change Muchtar Habibi, 2022-11-17 Small scale agricultural producers in the peripheral world are often condescendingly assumed to be a single social class the peasantry to be pitted against the state or corporation This book challenges this rather idealistic view by demonstrating that under current capitalist social relations competition efficiency and productivity and profit maximisation these agricultural producers have been differentiated into different agrarian classes by exploitation By comparing two different contexts of local agrarian change in Indonesia rice cultivation in Java and oil palm in Sumatra this book exposes the different class locations of the agrarian classes among petty agricultural producers and the class relations between them These are often inextricably linked to gender clanship and generational issues The power of class dynamics crucially shapes how agricultural production in both rice and oil palm is organised The share received by different agrarian classes from the production site then prominently shapes the different nature of class reproduction for each agrarian class This analysis demonstrates that the different agrarian classes possess different capacities and responses in their relation to the state or corporations Any real emancipation attempt in the Indonesian countryside and beyond must start from a proper understanding of these class dynamics This book marks a significant contribution to the literature on agrarian change the political economy of development rural development and Marxist political economy      A Matter of Mutual Survival Günter Burkard, Michael Fremerey, 2008 This volume contains a collection of articles based on empirical social science research in forest margin communities around the Lore Lindu National Park in Central Sulawesi Indonesia It refers to a worldwide and particularly topical issue i e the declining forest resources and man s role in the observed processes of nature degradation However it refrains from rather simplistic protectionist approaches which boil down to a separation between man and nature in order to avoid the depletion of natural resources Instead the approach adopted regards the existence or development of co evolutionary potentials both in nature and human society as a precondition for the establishment of a sustainable equilibrium in the interaction between man and nature      **Workers of the World** Marcel van der Linden, 2017-01-12 Die historische Forschung die sich mit arbeitenden Menschen beschäftigt nahm zuletzt eine völlig neue Wendung Die Geschichte der Arbeit verließ die ausgetretenen eurozentristischen Pfade und wurde globalisiert Historiker befassen sich seither umfassend und systematisch auch mit den Arbeitsverhältnissen in Asien Afrika und Lateinamerika und gewinnen dadurch einen neuen Blick auf die europäische Sozialgeschichte Workers of the World Marcel van der Lindens bahnbrechendes Standardwerk zur neuen Global Labor History liegt mit diesem Band erstmals vollständig in deutscher Sprache vor      **Land and Development in Indonesia** John F. McCarthy, Kathryn Robinson, 2016-05-18 Indonesia was

founded on the ideal of the Sovereignty of the People which suggests the pre eminence of people s rights to access use and control land to support their livelihoods Yet many questions remain unresolved How can the state ensure access to land for agriculture and housing while also supporting land acquisition for investment in industry and infrastructure What is to be done about indigenous rights Do registration and titling provide solutions Is the land reform agenda legislated but never implemented still relevant How should the land questions affecting Indonesia s disappearing forests be resolved The contributors to this volume assess progress on these issues through case studies from across the archipelago from large scale land acquisitions in Papua to asset ownership in the villages of Sulawesi and Java to tenure conflicts associated with the oil palm and mining booms in Kalimantan Sulawesi and Sumatra What are the prospects for the people s sovereignty in regard to land

Indonesian Labour in Transition Chris Manning,1998-03-28 The book covers labour markets in Indonesia under Soeharto s New Order government

**Gender in an Urban World** Judith N. DeSena,Ray Hutchison,2008-02-14 Brings the analysis of gender from the margin to the center of urban theory This volume examines the influence of gender in shaping relations in urban spaces and places It represents a crack in the landscape of urban sociology and engages in the discourse of the field from a gendered perspective
