Walker Elliott Rowe

Serve With Virginia Wine:

A History of Virginia Wines: From Grapes to Glass Walker Elliott Rowe, 2009-09-23 A fascinating history of Virginia wines documenting the wine industry's very foundation in this state. Go beyond the bottle and step inside the minds and vines of Virginia's burgeoning wine industry in this groundbreaking volume. Join grape grower and industry insider Walker Elliott Rowe as he guides you through some of the top vineyards and wineries in the Old Dominion. Rowe explores the minds of pioneering winemakers and vineyard owners, stitches together an account of the wine industry's foundation in Virginia from Jamestown to Jefferson to Barboursville, and uncovers the fascinating missing chapter in Virginia wine history. As the Philip Carter Winery motto explains: Before there was Jefferson, there was Carter. Rowe goes behind the scenes to interview migrant workers who toil daily in the vineyards, makes the rounds in Richmond with an industry lobbyist, and talks shop with winemakers on the science and techniques that have helped put the Virginia wine industry on the map. Also included are twenty-four stunning color photographs from professional photographer Jonathan Timmes and a foreword by noted wine journalist Richard Leahy. *Virginia Wine Country* Hilde Gabriel Lee, 1987 *Virginia Wine Country* describes the Virginia wineries, the founders, and their philosophies, their vineyards, and the wines they produce. Not a taster's guide, judging the wines is left to the reader; the book is more than a tour of the regions of Virginia in which these wines are produced. In addition to descriptions of the wineries, the authors offer a sampling of inns and restaurants that serve these fine wines, and what is wine without the appropriate cuisine to accompany it? More than one hundred forty favorite recipes of the restaurants and wineries themselves. From publisher's description. **Wine Tourism Destination Management and Marketing** Marianna Sigala, Richard N.S. Robinson, 2019-06-25 The book provides a holistic approach to wine destination management and marketing by bringing together wine tourism research with research in wine and destination management. Chapters are contributed by numerous international authors, offering an international and multidisciplinary perspective. The book combines fresh research approaches with international industry examples and case studies in the following key topics: understanding demand of wine destinations; new approaches and practices of wine destination marketing; innovation and design of wine destination experiences; and wine routes planning and development of wine destinations. The book analyses wine destination management and marketing issues from the perspectives of the various stakeholders of wine destinations, e.g., tourists, cellar doors, wine tourism firms, destination managers, wine associations, and networks. The book is equally valuable to researchers and industry professionals alike. Virginia Wine Gazette, 2006. **The Merlot Murders** Ellen Crosby, 2006-08-09 Finely ladled suspense says the *Sun Sentinel* about the complex flavor of Ellen Crosby's debut mystery set in the wealthy Blue Ridge wine country of northern Virginia, where vineyard heiress Lucie Montgomery must find a killer or lose her cherished family heritage. A phone call at two thirty in the morning is never good news. Lucie Montgomery's semiestranged brother Eli calls her in France to tell her their father Leland has been killed in a hunting accident on the family's five hundred acre Virginia

vineyard just as the fall harvest is about to begin By the time he calls Eli has already made funeral arrangements with what Lucie argues is indecent haste It is an emotional trip home the first since an automobile accident two years ago which left Lucie disabled and dependent on a cane Her family's once elegant home and winery are now shabby and run down thanks to her father's penchant for fringy business deals Eli also cash strapped and desperate to support his new wife's extravagant lifestyle has already convinced their rebellious younger sister Mia to sell the debt ridden estate and reap the profits from the valuable land it sits on overruling Lucie's protests On the eve of the funeral Lucie's godfather Fitz a partner in the family business tells her Leland's death was no accident Whoever killed him was motivated by the potential sale of the vineyard It is the last conversation she will have with Fitz Now the lone holdout preventing the vineyard sale Lucie realizes she's next in line for another accident With her greedy brother hell raising sister and a seemingly cut rate vintner hired by Leland just before he died all the suspects are disturbingly close to home Unsure whom she can trust Lucie must uncover the truth about the deaths of her father and godfather and oversee a successful harvest to save the vineyard she loves
