

Service Flame And A Service Sun

AW Chickering

Service Flame And A Service Sun:

Introduction to Fire Protection and Emergency Services includes Navigate Advantage Access Robert Klinoff, 2019-11-11
The sixth edition of Introduction to Fire Protection and Emergency Services meets and exceeds the National Fire Academy's Fire and Emergency Services Higher Education FESHE course objectives and outcomes for the Associate's Core course called Principles of Emergency Services C0273. The Sixth Edition delivers future fire service candidates a head start in the competitive selection process by familiarizing students with the selection and training process. In addition, the Sixth Edition provides a comprehensive and concise overview of the broad spectrum of the fire service from the primary duties of the modern fire department to emergency incident management to fire prevention to department administration. The Sixth Edition reinforces foundational knowledge including the history and future of the fire service, the chemistry and physics of fire, issues facing the fire and rescue service in the United States, and careers in the fire and emergency services. The entire range of services of the modern fire service is explored, including emergency medical services, hazardous materials response, wildland fires, swiftwater rescue, and urban search and rescue. The Sixth Edition includes an emphasis on safety and professionalism, which is reinforced through discussions of incident effectiveness, fire fighter ethics, customer service, physical fitness training, decision making, fire prevention, and behavioral health. Organizations that support the fire service are highlighted, including Firefighter Behavioral Health Alliance, Firefighter Cancer Support Network, Leary Firefighter Foundation, Discussions on Post Traumatic Stress Disorder (PTSD) and Repeated Exposure to Trauma (RET) and their effects on fire fighters. An expanded discussion of the possible future effects of climate change and the effect on the fire and rescue service.
