*Services Marketing* Christo Boshoff, Phillipus Jacobus Du Plessis, 2009-07-11 As the primary focus of the global economy has moved from agriculture to manufacturing to services-dominated economies, the realisation that we are all in services has finally dawned. Services marketing has developed as a result and is now a well-established sub-discipline of marketing with its own theories and body of knowledge. This volume deals with the unique difficulties of marketing what is essentially an intangible entity and focuses on the most contemporary debates, research, and managerial demands in this particular but very challenging business domain. The text covers issues of importance to all service marketers, including Service Quality, Customer Expectations, Creating Value for the Customer, Service Architecture, Pricing Imperatives, Demand Management,

Building Customer Relationships Integrated Service Marketing Communications Service Recovery Strategies      *Services Marketing* Dwayne D. Gremler, Mary Jo Bitner, Valarie A. Zeithaml, 2012-03-12 *Services Marketing* 6 e is written for students and businesspeople who recognise the vital role that services play in the economy and its future. The advanced economies of the world are now dominated by services and virtually all companies view service as critical to retaining their customers today and in the future. This edition focuses on knowledge needed to implement service strategies for competitive advantage across industries. In addition to standard marketing topics such as pricing, this text introduces students to entirely new topics that include management and measurement of service quality, service recovery, the linking of customer measurement to performance measurement, service blueprinting, customer cocreation and cross functional treatment of issues through integration of marketing with disciplines such as operations and human resources. Each of these topics represents pivotal content for tomorrow's businesses as they attempt to build strong relationships with their customers.      **Service**

**Management and Marketing** Christian Grönroos, 2000-10-10 In examining the new rules of service competition, the author discusses what important issues constitute the three levels of internal marketing, the four basic strategy options and the five rules of service.      *The Essence of Services Marketing* Adrian Payne, 1993 In order that a service business can survive in today's ever more competitive business environment, it is vital that they develop and implement highly effective marketing strategies. This text explains the key concepts in marketing as they relate to services marketing. It discusses the marketing plan and the development of a customer focused and marketing orientated culture and includes many real life examples.

Services Marketing: Rao, 2011 The second edition of *Services Marketing* with an enhanced conceptual foundation meets this requirement of students, managers and marketing professionals. The enhanced pedagogy and coverage in this edition in conjunction with the lucid and pithy style of the author make this book perfect for students of business administration, commerce and management.

Services Marketing and Management Audrey Gilmore, 2003-06-02 This text provides an overview of the characteristics and underlying principles of delivering services in today's marketplace and places these issues in the context of the frameworks and activities of various types of organization such as financial services, tourism, charities and museums.
