## **ADA Circulation Qualification Program**

The Seattle Public Library established the ADA Circulation Qualification Program to serve patrons who have disabilities that are expected to last at least six months.

Applicants must have a temporary or permanent condition that makes it difficult or impossible to return Library materials within the usual three-week checkout period.

The program offers the following accommodations:

- **No late charges for overdue items.**
- **Initial 4-week loan for most items.**
- **Initial DVD loan period of 2 weeks.**
- **Renewals on 4-week items are 4 weeks; renewals on DVDs are 2 weeks.**
- **Maximum check-out limit of 15 items on loan at one time.**
- **Maximum hold limit of 15 items at one time.**
- **Exemption from the Library materials recovery program.**

### **Digital Materials**

Due dates for digital materials are preset by the vendors who provide downloadable services. The Library does not have the ability to extend Overdrive/NetLibrary or Safari. Due dates are assigned at the time of downloading and electronic checkout. These items are automatically returned after the 21-day loan period.

### **ADA Circulation Qualified Borrower Responsibilities**

The Library provides this service to disabled patrons only and not to other members of the household, family members or friends. While under the ADA Circulation Qualification program:

- The patron is still responsible and charged for damage to materials and for replacement of lost items.
- The patron account will be blocked when fines on the card reach \$15.
- The patron agrees to notify the Library if the need for the accommodation ends. At that time, the account would revert to a standard account.
- To qualify for this service, applicants must already have a Library card and meet the regular registration requirements of The Seattle Public Library.
