Serving With Power Reviving The Spirit Of Christian Ministry:

Serving With Power Kortright Davis, 2012-04-23 Is Christian ministry in a state of crisis today What is the nature of the crisis How does it relate to the imperatives and challenges of the proclamation of the Gospel today and the extension of the ministry of Jesus Christ himself What constitutes faithful and obedient servanthood today What are the new frontiers Is there a radically new spirituality that can reshape and transform the lives of those called to minister in God's world in this age These are some of the issues with which Kortright Davis attempts to wrestle in this scholarly yet pastoral conversation with the Church and the world Serving With Power explores the power of God's Word and Spirit in an attempt to shape a new spirituality of Christian ministry in the new millennium The Spiritual Order of a Messy Church Santosh K. Marray, 2019-09-05 Spirituality discipleship and evangelism are three critical timeless disciplines used by the church to transform faith communities from followers to disciples and then to effective faith practitioners It is not always easy to cultivate these disciplines but as an empowered faith practitioner and doer of the Word each of us can learn how to be revitalized and transformed The Spiritual Order of a Messy Church is written for both laypeople and clergy who are intentionally pursuing personal and spiritual growth by using historic grounded themes practiced by the early church spirituality discipleship and evangelism Author Santosh K Marray describes the correlation between Acts 2 42 47 the classical model of the early church for spirituality discipleship and evangelism and the affirmations embodied in the baptismal covenant He describes how both laypersons and clergy can develop a personal spiritual order to govern their lives and translate that spiritual structure to the congregations they may be leading and with whom they worship In this challenging period where church growth is in decline especially in mainline churches The Spiritual Order of a Messy Church advocates a more robust spiritual engagement undergirded by a rule of order Spirituality appropriately defined as formed for Christ could be achieved through the user friendly approach advocated here The message of Jesus is that the authentic Christian is one who practices what she or he believes The Younger Evangelicals Robert E. Webber, 2002-10-01 Robert E Webber has led worship workshops in every major city in the United States and Canada Through his conversations and contacts with a network of emerging church leaders he calls the younger evangelicals Webber sees how this new generation and their style of leadership is bringing change and renewal to the evangelical church These leaders who include those young in spirit as well as young in age have important insights to offer all generations faced with doing church in a rapidly changing postmodern culture The Younger Evangelicals explores the characteristics of these emerging leaders and provides an outlet for their stories Beginning with a brief overview of twentieth century evangelicalism Webber examines what is different about the twenty first century younger evangelicals way of thinking about faith and practicing church He allows them Ph D s and laypeople to speak in their own words on issues such as communication theology apologetics pastoral leadership evangelism worship and spiritual formation Thought provoking energizing and timely The Younger Evangelicals is
