Set Fire To The Soul:

Souls on Fire Elie Wiesel, 2013-02-12 In *Souls on Fire* Portraits and Legends of Hasidic Masters Elie Wiesel re enters like an impassioned pilgrim the universe of Hasidism *Souls on Fire* is not a simple chronological history of Hasidism nor is it a comprehensive book on its subject Rather Elie Wiesel has captured the essence of Hasidism through tales legends parables sayings and deeply personal reflections His book is a testimony not a study Hasidism is revealed from within and not analyzed from the outside Listen attentively Elie Wiesel s grandfather told him and above all remember that true tales are meant to be transmitted to keep them to oneself is to betray them Wiesel does not merely tell us but draws with the hand of a master the portraits of the leaders of the movement that created a revolution in the Jewish world *Souls on Fire* is a loving personal affirmation of Judaism written with words and with silence The author brings his profound knowledge of the Bible the Talmud Kabbala and the Hasidic tale and song to this masterpiece showing us that Elie Wiesel is perhaps our generation s most fervid soul on fire

Shop Your Soul at Christmas Leanna Burns, 2009-12 Leanna Burns author of many great SOULful books is currently working on a new book titled *Shop Your Soul at Christmas* This book has twelve chapters that correspond to the verses of the *The Twelve Days Of Christmas* And yet the soul self help lesson in each chapter is really something that should be heeded no matter the occasion throughout the year The reason it is a Christmas book per se is because that is the holiday whereby our human characteristics overrode our being qualities and someone died as a result The book honors that and draws attention to that time of year rather than speaking of other kinds of holidays
