Days of the Living Christ W. Cleon Skousen, 2018-12-21 No other life has had such an amazing impact upon the human race as did our Savior Jesus Christ From His birth in a humble stable until His death upon the cross of Golgotha He left all of us simple teachings direct commandments and profound doctrines which have altered the history of the world He performed astounding miracles that left His disciples and other onlookers stunned and speechless He condemned the hypocrisy of the religious leaders of the day who would eventually conspire and arrange His death at the hands of the Romans The culminating act of His ministry was the priceless gift of His eternal Atonement which opened the floodgates of the resurrection ending the final and icy grip of death upon all mankind One day we too will participate in the glorious experience of the resurrection when all tears will be dried and fears will cease In a matter of just three years His brief ministry changed the course of history Gone was the harsh and rigid Mosaic law replaced by the higher law of love for friends and enemies alike His life is an example to all All of these magnificent scriptural accounts and doctrines can be found within the pages of Days of the Living Christ
