*Setting Limits in the Classroom, Revised* Robert J. Mackenzie, 2010-06-09 Disruptive behavior power struggles lack of motivation attention deficit disorder at times the list of obstacles to teaching seems endless That's why thousands of teachers and child care providers have turned to the solutions in *Setting Limits in the Classroom* This fully updated and expanded third edition offers the most up to date alternatives to punishment and permissiveness moving beyond traditional methods that wear you down and get you nowhere Topics include Eliminating power struggles and handling disruptions quickly Establishing an effective environment for learning Using natural and logical consequences to support your rules Conducting proactive focused parent conferences New research and techniques for supporting special needs children With its new focus on younger students and special tools for handling strong willed children this edition offers schoolteachers the tools they need to gain control of their classrooms respectfully and effectively

*Setting Limits in the Classroom* Robert J. MacKenzie, 1996 No more exhaustive attempts at reasoning persuasion or threats Power struggles lack of motivation disruptive students and Attention Deficit Disorder hardly how we'd like to describe classrooms of the nineties But more and more adults agree that children are pushing them to the limits For this reason thousands of teachers child care providers and parents are turning to the solutions presented in *Setting Limits in the Classroom* This book provides alternatives to the ineffective extremes of punishment and permissiveness and outlines methods for setting clear firm limits supported by words and actions This step by step guide shows you how to create structure that works stop power struggles motivate students solve homework problems Tested and used all over the country by adults working with children the *Setting Limits* program can mean the difference between disruptive educational environments and satisfying cooperative teacher student relationships

*Introduction to Teaching* Gene E. Hall, Linda F. Quinn, Donna M. Gollnick, 2019-01-02 An ideal introductory text for aspiring teachers *Introduction to Teaching Making a Difference in Student Learning* is grounded in the realities and complexities found in today's schools Acclaimed authors Gene E Hall Linda F Quinn and Donna M Gollnick thoroughly prepare students to make a difference as teachers presenting firsthand stories and evidence based practices while offering a student centered approach to learning The authors focus on how to address one of the biggest challenges facing many of today's schools ensuring that all students are learning and help teachers prioritize student learning as their primary focus From true to life challenges that future teachers will face such as high stakes testing reduced funding low retention and Common Core State Standards to the inspiration and joy they will experience throughout their teaching careers the Third Edition paints an importantly authentic picture of the real life of a teacher This title is accompanied by a complete teaching and learning package
