Seven Churches Not In The Of Revelation:

The book of Revelations ... explained and corroborated by history Veritas,1891 **The Revelations And Warnings Of Jesus To His Church** Albert Heaney,2018-09-25 Given that Jesus has issued a warning that in the end times the church will be infiltrated with false prophets that will mislead many and given that the book of Revelation was given to reveal future events in the end times and given that various interpretations of prophesies in the book are given by present day biblical scholars this book attempts to clarify an understanding of the revelations provided in the book by closely adhering to the messages given and avoiding giving interpretations that are not explicitly provided in scripture It is important that the church becomes aware of the messages God has given to the church of our day so that it can be prepared to face the future and be ready to endure to the end The author believes that the book of Revelation was not given as a puzzle to be decoded by scholars but rather as a series of messages that can be understood by ordinary people so as to open their eyes as to all that God has prepared for those who love Him **The Great Tribulation!** Richard Guthrie,2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if there s a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice History of the Second Advent Message and Mission, Doctrine and People Isaac Cummings Wellcome,1874

Dispensational Truth, Or God's Plan and Purpose in the Ages Clarence Larkin,2009-01-01 The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century his works are the source of many of the prophecies and truths end times Christians hold to even today This stupendous 1918 book perhaps his greatest work is the result of more than 30 years worth of the author informs us careful and patient study of the Prophetic Scriptures Fully

illustrated by charts describing God's plan for humanity Dispensational Truth covers Pre Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more American Baptist pastor and author CLARENCE LARKIN 1850-1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters **A Commentary, Critical and Explanatory, on the Old and New Testaments** Robert Jamieson, 1871 The Englishman's Critical and Expository Bible Cyclopaedia Andrew Robert Fausset, 1886 Revelations from Revelation Patrick M. Jones, 2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation's fascinating lines of prophecies Follow the footsteps of God's leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you **Woman, Mother, and Bride** Felise Tavo, 2007 Over the past fifty years studies pertaining to the reality of the church in the Apocalypse have for the most part tended to be either selective or sketchy in their treatment of the relevant material of the book Yet in all fairness to the seer of Patmos his portrayal of the church as a reality decidedly complex and at once profound can only be attained in a thoroughgoing study of the principal ecclesial narratives of his work so as to allow for that indispensable synoptic overview of such intentionally correlated material Woman Mother and Bride is such a study It re-examines the relevant imagery of the Apocalypse but from the perspective of the seer's ecclesial thought world and on the basis of his overriding pastoral concerns for the seven churches without which his work will continue to puzzle and trouble at every page The ensuing outlook on the church is panoramic in its scope yet compelling in its appeal which further goes to confirm the Apocalypse as one of the most significant theological achievements of early Christianity Lectures on the Revelation William J. Reid, 1878 A Commentary, Critical, Experimental, and Practical on the Old and New Testaments Robert Jamieson (D.D.), 1863 **The Golden lamp; or, Truth in love for the children of God**, The Revelation of John Henry Cowles, 1871 **The Critical and Explanatory Pocket Bible ... with Original and Selected Parallel References and Marginal Readings, and an Original Commentary.
