Seven Guides To Effective Prayer:

Seven Guides to Effective Prayer Colin C. Whittaker, 2003 The Lord's Prayer Dr. A. B. Brown BA M. Div. D. Min., 2021-05-03 The Lord's Prayer gives the following The most important relationship of the Christian life The most important reason for the Christian life The most important role of the Christian life The most important rule of the Christian life The most important resource of the Christian life The most important reconciliation of the Christian life The most important rescue of the Christian life Dr A B Brown BA M Div D Min has taught on the college level for over thirty years and served as academic dean for eleven years He has been teaching theology and the Bible online for Liberty University now for eleven years Dr Brown has remained actively involved in the local church ministry throughout his entire teaching career serving as pastor associate pastor and interim pastor The book *The Lord's Prayer More Than a Prayer* is the fruit of a lifetime of study that reflects one of the most definitive analyses of the Lord's Prayer in print Read it to be nurtured challenged and changed **The Prayer Of Faith** Daniel Owusu Yeboah, 2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book *The Prayer of Faith Praying with Hope* is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the least we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on
