Seven Letters Detailing the Prophetic Framework of the Return of Christ Gregory A. Booker, 2002-11 First and foremost this book is an experience an inspirational writing which the author shares revealing a Faith and a Hope for the return of our Lord and Savior Jesus Christ It reflects an intensive study in biblical prophecy and a laymans look at the worlds current state It is comprised of Seven Letters which details the phenomenon of Israels restoration after almost 2 000 years of nonexistence The question for the Church is why is it back and also what is the wisdom of it from a biblical perspective We as christians too easily cast this Israel aside failing to take in the new wine that God is pouring out of His Spirit As a result the book concentrates itself on the error of this oversight in these modern times An error that will bring the victorious Lord to be the redemptive Messiah at last for Israel His chosen nation After the Church is taken up in the rapture for those who do believe Remember there is a church that Jesus say I never knew you and is left behind to prove their faith and allegiance to Him and Him only It is all in the scriptures and the book is dedicated to bringing these ancient words from the past to show the power of God in declaring the future to his glory Seven Letters Detailing the Prophetic Framework of the Return of Christ

McClements, 2019-02-15 Sean Devaney takes his first breath in 1895 without any idea of the twists and turns his life will eventually take As he grows up on a farm outside New York City Sean learns that there is no substitute for character It is only after he enters Columbia University that the rumblings of a World War begin in Europe influencing the direction of Sean's life forever The day after his college graduation Sean walks into a Marine Corps recruiting station shakes destiny's hand and is soon transported to France where he must face death on a grand scale Yet in the midst of the dark indescribable horrors of war he finds a bright light in Lynn a beautiful Red Cross nurse who seems destined to be his bride But when tragedy intervenes and destroys his plans Sean embarks on a revengeful journey with the power to destroy not only him but also anyone else who crosses his path As life comes full circle Sean reflects on his life with help from a new friend as he contemplates the biggest decision he has ever had to make In this historical saga a young man struggles to find himself through great adversity as a world war rages and teaches him the value of life love and loss **Inspired Writings of a**

Prophet for Jesus the Christ Gregory A. Booker, 2012-01-11 This book is not about teaching prophecy but is more about preaching God's prophetic word with boldness and clarity in order to wake up the churches from their slumber Part of this work is an inspired declaration exercising the gift of prophecy in prophetic utterance with a prophet's cry to his own country the United States It issues a forewarning and a forearming to God's people the Church to be ready as the deliverance for both the Church Israel the Nation draws nears despite a world full of disbelief in the Lordship of Christ our redeemer It is a prophet's personal cry and shout as a watchman who stands at the gates of Israel and sounds the alarm *The Oxford*

Handbook of the Reception History of the Bible Michael Lieb, Emma Mason, Jonathan Roberts, 2013-01-10 In recent decades reception history has become an increasingly important and controversial topic of discussion in biblical studies Rather than attempting to recover the original meaning of biblical texts reception history focuses on exploring the history of interpretation In doing so it locates the dominant historical critical scholarly paradigm within the history of interpretation rather than over and above it At the same time the breadth of material and hermeneutical issues that reception history engages with questions any narrow understanding of the history of the Bible and its effects on faith communities The challenge that reception history faces is to explore tradition without either reducing its meaning to what faith communities think is important or merely offering anthologies of interesting historical interpretations This major new handbook addresses these matters by presenting reception history as an enterprise not a method that questions and understands tradition afresh The Oxford Handbook of the Reception History of the Bible consciously allows for the interplay of the traditional and the new through a two part structure Part I comprises a set of essays surveying the outline form and content of twelve key biblical

books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular key biblical passages or books with due regard for the specificity of their social cultural or aesthetic context These case studies span two millennia of interpretation by readers with widely differing perspectives Some are at the level of a group response from Gnostic readings of Genesis to Post Holocaust Jewish interpretations of Job others examine individual approaches to texts such as Augustine and Pelagius on Romans or Gandhi on the Sermon on the Mount Several chapters examine historical moments such as the 1860 debate over Genesis and evolution while others look to wider themes such as non violence or millenarianism Further chapters study in detail the works of popular figures who have used the Bible to provide inspiration for their creativity from Dante and Handel to Bob Dylan and Dan Brown Bible Review,1996 **Luther Digest** ,2007 Poetry Index Annual,1992 Ilona Roth,Roth Publishing, Inc. Staff,Inc Staff Roth Publishing,Publishing Editorial Roth,1993-05 **American Book Publishing Record** ,2005 *Choice* ,1997 Witness to War Los Angeles Times (Firm),1991 SCOTT copy 1 from the John Holmes Library collection **Forthcoming Books** Rose Army,1997 *The Presbyterian* ,1903 **Revelation** Linda Osborne,2014-03-15 We are about to embark on an incredible journey A journey which will take us from the rocky Island of Patmos on the Aegean Sea to a scenic view of the seven selected churches of Asia Minor from which we will get a vantage point of the seven stages of church history From there we will look beyond to some of the more significant and inspiring aspects of this unique book of the Bible which gives us a view of our exciting future catching a glimpse in each lesson of our glorified Lord and Savior Jesus Christ *To Him that Overcometh* David M. Minnick,2017 As the capstone of both Old and New Testament revelation the Revelation of Jesus Christ must contain more for the New Testament church than newspaper hermeneutics or prophecy conferences derive from it The Revelation of Jesus Christ has profound implications for the New Testament church because of its futuristic orientation It does speak to the churches and for those who have ears to hear the Spirit has a message in this book a message not confined to the seven letters This dissertation analyzes the book of Revelation to determine the place and function of the seven letters within the book This study will demonstrate that in these letters Christ interprets the link between eschatology and the churches by applying the eschatological sections to the seven churches through the exhortations warnings and promises of chapters 2 3 In Revelation prophecy serves to ground paranesis The seven letters function within the book to apply its eschatological revelation to the needs of the seven churches The letters stand as applicational archetypes to instruct the reader how eschatology is to be applied to meet the needs of the church in every age Introduction **Ready for His Return** Claude T. Stauffer,2017-03-10 Are you Ready for His Return The Bible states that Jesus is coming back Nearly a third of the Bible is devoted to prophetic events including the return of Jesus Prophecy is important to God And many of the remaining prophecies concerning the Last Days are being fulfilled right now Some shy away from prophetic teaching because they find it confusing But the Thessalonians were a church started on three weeks of Paul s teaching And yet 1 Thessalonians

emphasizes the importance of being ready for the return of Jesus in every chapter Others dismiss prophetic content saying it isn't relevant to our day They say it's been 2000 years since these prophetic calls to be ready for Jesus return were written Where is He We will address such thinking because it's all part of being ready for His return If you're looking for a challenging message of explanation and expectation of the return of Jesus this is a study for you This inspired letter is filled with commendations encouragement and hope It's a very practical letter that details the victorious Christian lifestyle that makes one ready for the return of Jesus Jesus fulfilled prophecy in His first coming He will fulfill the rest of prophecy and come again Look around you the signs of His return are everywhere Are you ready for His return Come join me in this study and find out

The 7 Stages Of Christ's Return Dr. Johnny Woodard ~ DD, 2024-12-05 Revelation 19:14 And the armies which were in heaven followed him upon white horses clothed in fine linen white and clean This book details the 7 stages of time that will lead to the return of Jesus to do away with evil and restore the earth to the perfect paradise it was in the Garden Of Eden before the fall of man It is not about setting dates it is about how God's patience with His creation has ran out time and time again and will someday result in Jesus returning to once and for all do away with evil

The Revelation of Jesus Christ Mary Lewis, 2017-11-30 The Book of Revelation is for Today to Meet Tomorrow Everybody knows that the Revelation of Jesus Christ has a controversial history of interpretation It is the culmination of all prophecy but more than that it is about right now and how to make YaHavah and Jesus the true center of your life The Revelation is more than a study of the Antichrist and the last seven years of tribulation It is a study on how to overcome the temptations of Satan to be ready for Jesus return It is about what Jesus said to Nicodemus John 3:3 Jesus answered and said to him In truth I say to you except a man be born again he cannot see the kingdom of YHVH The church has not received the full knowledge of what being born again means That knowledge is in the Revelation that was written about fifty years after the church began The seven letters reveal some of the problems the churches were encountering Those problems centered on a condition of rebirth that they did not fully understand Today's churches are no different YaHavah reveals that condition in the Revelation It is time for the Church to review denominationalism and get back on first century track Join Ms Lewis in the most revealing story you will ever read about the Book of Revelation and about life right now
