## Seventeen Seventeen Jerome:

**Seventeen Seventeen Jerome** Richard Thornley,1999-02-04      *The Book Of Saints And Heroes* Andrew Lang,1912 A noted non Catholic writer on pedagogical subjects stated some time ago that if his own religious body had the wealth of story contained in the lives of the saints of the Catholic Church it would be abundantly supplied with religious literature for children It is true that the lives of the saints are an inexhaustible treasure house for all that will interest and stimulate children and that the same treasure house is too seldom drawn upon Its riches are comparatively speaking little known to our children or indeed to our older folks A book that taps this vein of Catholic inheritance is *The Book of Saints and Heroes* by Mrs Lang and edited by the late Andrew Lang Needless to say the work is admirably well written and no child even though tired would think of sleep while the story of Jerome and the Lion or Francis and the Wolf of Agobio was being read Here is all that will arouse the imagination fascinate the mind and instill that romantic love of heroic deeds which in turn is so powerful a stimulus to virtue The book is most richly and tastefully illustrated with page drawings many of them beautifully colored The author has combined legend and history and has sought to give us an interesting story book      **Catalog of Copyright Entries** Library of Congress.
