**Sex and Rockets** John Carter, 2005-04-01 In his short 37 years John Whiteside Jack Parsons embodied at least several different roles in one tormented but glorious life By day Parsons unorthodox genius created a solid rocket fuel that helped the Allies win World War II and NASA send spacecraft to the moon Co founder of Jet Propulsion Laboratory and the Aerojet Corporation a lunar crater was named after Parsons By night Parsons called himself The Antichrist when he performed Aleister Crowley s Thelemic rituals to create a new sort of human being that would finally destroy Christianity In a Pasadena mansion the dark handsome Parsons hosted soirees for the emerging literature of science fiction visited by writers such as Robert Heinlein Ray Bradbury and none other than L Ron Hubbard who later founded the Church of Scientology With Hubbard playing his Scribe Parsons enacted dark Babalon rituals to help foment a new occult age Jack Parsons died suddenly in a huge mysterious explosion that even today cannot be definitively explained Was it murder Suicide Or just an accident Feral House s paperback edition adds new photographs and an Afterword about Parsons Black Pilgrimage One of the inspirations for hit television series Strange Angels This remarkable true story about the co founder of Jet Propulsion Laboratory By day Parsons unorthodox genius created a solid rocket fuel that helped the Allies win World War II By night Parsons called himself The Antichrist One of the best books of the year **The Anomalist** **Necronomicon Files** Daniel Harms, John Wisdom Gonce, 2003-07-01 What if a book existed that gave answers to everything you ve ever wondered about What would you do to learn its secrets Tales of such books have abounded for millennia and are legend in occult history One of the most pervasive modern iterations is that of the Necronomicon said to be a genuine occult text from the 8th century The Necronomicon really is the creation of science fiction writer H P Lovecraft 1891 1937 in whose books the magic volume first appears in print In The Necronomicon Files two occult authorities explore all aspects of The Necronomicon from its first appearance in Lovecraft s fiction to its ongoing pervasive appearance in cult and occult circles The Necronomicon Files revised and expanded further reveals the hoax of the Necronomicon Harms and Gonce show that the apocryphal history of the Necronomicon was concocted by Lovecraft to lend it verisimilitude in his fiction The magical text was transformed into an icon among Lovecraft s literary circle who added to the book s legend by referring to it in their own writing People became convinced that it was a real book and its references in literature and film continue to grow The book also examines what people have undergone to find the Necronomicon and the cottage industry that has arisen over the past three decades to supply the continuing demand for a book that does not exist Scholarly yet accessible humorous and intriguing The Necronomicon Files illuminates the depth of the creative process and the transformations of modern myth while still managing to preserve much of the romance and fascination that surrounds the Necronomicon in our culture **Aleister Crowley and the Ouija Board** J. Edward Cornelius, 2005-11-01 Part fascinating history and part practical manual this engaging guide takes the position that the Ouija Board is indeed as powerful as its detractors claim revealing the dark
