Sex And Sense A Contemporary Guide For Teenagers:

Using Literature to Help Troubled Teenagers Cope with Societal Issues Pamela Sissi Carroll, 1999-11-30 Teachers media specialists parents and other adults who work with adolescents must recognize that our society influences who teenagers are and how they develop as language users This unique resource provides guidance to these professionals by pairing literacy specialists with counselors who introduce information about social issues important to today s adolescents These experts then explore literature in which issues such as body image sexuality and leaving home are addressed in ways likely to interest teens By examining fictional characters these experts provide guidance to those working with teenagers so they can encourage adolescents to deal with the conflicts and issues imposed upon them by our society while improving their reading and writing skills Eight important social issues are explored each in a separate chapter While providing in depth exploration of fictional characters grappling with these societal issues each chapter also provides a question and answer section in which specialists answer questions many adults have raised regarding social influences on teenagers Readers are given insight into how they can help teenagers with similar problems and extensive annotated bibliographies recommend appropriate books to get teenagers reading and addressing these problems This collaboration across academic specialties provides an innovative approach to attaining the goal of helping adults and adolescents in gaining a better understanding of each other [America's Sexual Transformation](#) Gary F. Kelly, 2011-11-15 This book explains how the short lived sexual revolution 50 years ago has led to the current evolution of our sexual values and behaviors and social standards among youth culture examining topics such as communication technologies and sex teen pregnancy and divorce rates in the Bible Belt Is an increase in sexual activity during adolescence a normal part of the transition to adulthood or evidence of a societal problem Why would conservative religious youth become sexually active earlier than their peers and be more likely to have an unintended pregnancy or sexually transmitted disease How are women continuing to lead our society s sexual transformation Written by an author whose 40 year career in sexology and university administration provides a uniquely qualified perspective upon both sex research and the changing sexual perceptions of American youth this comprehensive book is must read for both parents and policy makers America s Sexual Transformation traces the philosophical cultural and scientific developments responsible for the beginning and end of America s sexual revolution that have now spawned a more substantive sexual transformation It examines traditional theories and attitudes regarding sex and demonstrates how the findings of sex research provide entirely new paradigms that should replace outmoded and harmful theories This groundbreaking book also explains who we are as sexual individuals and how we got to be that way [Sex Guides](#) Patty Campbell, 2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture s ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The

second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality
