This series is a "very nice gift" for criminologists although the gift is a little bit costly, much more than I expected for a series of reprints. The price range goes from 89,95\$ (U.S. dollars) to 142,95\$. However, even in this age of budget restraints, this collection is a "must" for criminological libraries as well, at least each in our own field of interest, as for individuals.
